NOW LOCATED IN DETROIT. Four Wayne, Mich. Feb. 10, 1919.

To the Editor of The Gazette:

As I have been transferred from Camp Holabird, Md., to this camp, I am writing you to please have my tent set here. It is just like a long letter from home and lets me know what is going on around the city.

The people here are as kind to us now as they were before the armistice was signed, more than I can say of some other cities I have been in, and seem to

A NERVOUS WRECK From Three Years' Suffering. Says Cardui Made Her Well.

Texas City, Tex.—In an interesting statement, Mrs. G. H. Schill, of this town, says: "For three years I suffered untold agony with my head. I was unable to do any of my work."

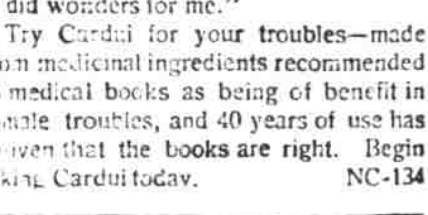

I just wanted to sleep all the time, for that was the only case I could get, when I was asleep. I became a nervous wreck just from the awful suffering with my head.

I was so nervous that the least noise would make me jump out of my bed. I had no energy, and was unable to do anything. My son, a young boy, had to do all my household duties.

I was not able to do anything until I took Cardui. I took three bottles in all, and it surely cured me of those awful headaches. That has been three years ago, and I know the cure is permanent, for I have never had any headache since taking Cardui.

Nothing relieved me until I took Cardui. It did wonders for me."

Try Cardui for your troubles—made from medicinal ingredients recommended in medical books as being of benefit in female troubles, and 40 years of use has proven that the books are right. Begin taking Cardui today. NC-134

enjoy having us in their homes. Was sorry to see where we are to lose Mr. M. A. Turner also of the death of Capt. A. B. O'Neil. Capt. O'Neil was a real friend of the boys and will be missed very much by them.

This fort is in the heart of the city on Detroit river. Just across the river is Windsor, Canada. It is the home of the 26th Infantry. We are to be here until they get back from "over the seas."

Yours very truly, P. HOYT CUNNINGHAM.

Moose Perfect Organization. The Loyal Order of Moose met Thursday night in the Red Men's hall over the Bank of Gastonia with a large attendance. The regular form of business was transacted. It was decided to leave the regular charter fee at \$6 until February 27th.

Two people were burned to death in a \$30,000 fire at Spartanburg, S. C., yesterday. They were Perry Burnett, aged 64, and his daughter, Miss Lila Burnett, aged 20. The building belonged to T. B. Ross and the upstairs was used as a rooming house.

THE NAVY GIRLS. All the members of the Navy Girls Company appeared during the past season in the U. S. army cantonments as entertainers. Because of the splendid work of these girls in entertaining the soldiers, the Redpath engaged them for a winter Lyceum tour.

This company comprises six clever, versatile girls, who, together and individually, present an evening's program full of pleasing, artistic entertainment.

The Navy Girls derive their name from the fact that a considerable part of their program consists of the presentation in costume of nautical novel ties featured by rollicking songs of the sea.

From the opening to the close of the entertainment there is not a single intermission. The various parts of the program follow each other in chronological succession. The whole effect is lively, varied and entertaining.

The Navy Girls' entertainment opens with the girls, in gypsy costume, seated as if around a campfire and singing the gypsy chorus from Carmen.

THE NAVY GIRLS.

This is followed by a short, solos and a pantomime showing the carefree, joyous life of the gypsies. The scene closes with a beautiful gypsy air.

In the next part of the program the members of the company appear in evening dress. They present, a vocal numbers, classical selection and medleys from popular light operas, featured by solos and duets. Instrumental trios, piano, violin and cello solos, and a novelty vocal duet are a striking part of this section of the program, as are the clever readings.

Also one of the company presents a novel pantomime, a "novel" sketch, giving imitations of the leading stars of filmland.

The big feature of the whole entertainment and a fitting climax to the evening's program, a nautical sketch, introduces the girls in navy costumes as members of a patriotic chorus. Jolly songs of the sea and appropriate readings unite to make this, the third and concluding division of the program, unique and compelling.

The Navy Girls will be the next lyceum attraction here. They will appear at the Central school auditorium Thursday of this week, February 13th, at 8:00 o'clock under the auspices of the Gastonia Public Library. Seats will be on sale at Kennedy's drug store Wednesday from 2 to 9 p. m. and Thursday from 9 a. m. to 7 p. m.

TOLD IN GASTONIA. A Resident Known to All Our Readers Relates an Experience. Readers of The Gazette have been told again and again of the merits of that reliable, time-proved kidney remedy—Doan's Kidney Pills. The experiences told are not those of unknown persons, living far away. The cases are Gastonia cases, told by Gastonia people.

W. B. Blackwell, 320 W. Franklin Avenue, Gastonia, says: "Jarring and riding so much is what brought on my kidney trouble. My back ached and I was all run down. My kidneys were out of order and the secretions were highly colored, contained sediment and were painful in passage. Hearing of Doan's Kidney Pills, I got a supply and they fixed me up in fine shape. I have great faith in 'em."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Blackwell got. Mfgs. Buffalo, N. Y.

TRY IT! SUBSTITUTED FOR NASTY CALOMEL

Starts Your Liver Without Making You Sick and Can Not Salivate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason: Dolson's Liver Tonic is taking its place.

"Calomel is dangerous and people know it, while Dolson's Liver Tonic is perfectly safe and gives better results," said a prominent local druggist. Dolson's Liver Tonic is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dolson's Liver Tonic is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dolson's Liver Tonic instead and feel fine, full of vigor and ambition.
