Raleigh, Feb. 17. Speaking too late for the afternoon papers to enter any legislation today, it was announced that Dr. S. A. Wilkins, Gaston representative, will introduce the patent medicine bill today, outlawing all nostrums that carry too much alcohol.

There is a mighty battle against this legislation, druggists from all portions of the state protesting. No public hearing has been set for this bill.

WOMEN FIND IT SPLENDID

Weak, Nervous, Women Will Find Mrs. Reitzell's Advice Wonderful Help Below.

TELLS WHAT TO DO.

"I was troubled with irregularities and violent pains that would last all through the week and for over two years I was unable to get relief. I was weak and terribly run down due to this trouble of my sex and yet, it was only a few days before I got well and strong and was entirely relieved of the monthly troubles through using two bottles of Pearson's Indian Blood Purifier. I found this medicine just fine for such ailments. It made me feel so well and strong. I have no symptoms of irregularities. It surely will make a new woman out of any user who takes it according to directions, declares Mrs. J. A. Reitzell, 145 Middle Brook, Newton, N. C.

Weak, frail, sickly looking girls and women of all ages may wisely follow the above lady's advice. The Pearson Remedy Company has for a number of years been putting up an old Indian Blood Purifier which women swear by. The old Indians never had such troubles. Their intuition told them how to gather and brew the herbs contained in this Remedy which has won so much praise from women of today. It is harmless and contains none of the modern day opiates, narcotics and dope. To be sure of getting the genuine look for name Pearson Remedy Co., on the bottle and ask for Genuine Indian Blood Purifier Large bottle \$1. The Kennedy Drug Co. sells and recommends it.

NOTICE TO TELEPHONE USERS.

Order No. 2787, issued by the Postmaster General, under date of February 17th, 1919, cancels all 5 cent toll rates and makes the minimum station to station rate 10 cents for distances of 12 miles, or less and establishes new rates: "When the station to station rate is 10 cents, the completed person to person rate is 15 cents. The completed appointment and messenger rate is 20 cents. The report charge is 5 cents. The initial period for person to person messages at the 15 cent rate will be 3 minutes, and the overtime rate 5 cents for each additional minute.

These changes and new rates effective at 12:01 a. m., February 21, 1919. The above order restores the privilege of making person-to-person calls to towns within a radius of twelve miles of each other, which privilege was recently withdrawn by a previous order of the Postmaster General.

PIEDMONT TELEPHONE & TELEGRAPH CO.

Every farmer and gardener in the county should read The Progressive Farmer, the best farm journal in the country. It will be an easy matter to get up a club of five subscribers. HELP US TO HELP YOU

We are fighting for a fair price for cotton--- The Infallible plan: **HOLD YOUR COTTON AND REDUCE ACREAGE ONE-THIRD--- A SMALL CROP OF COTTON BUT BIG MONEY.**

Will You Help Us To Win This Fight?

A big crop of cotton means low prices and your nose to the grindstone, a small crop of cotton means good prices and a chance for your children. The price of cotton for years to come depends upon good judgment this year.

Raise a small crop of cotton, raise your feed and food, live at home and board at the same place. Attend the meeting at your county courthouse Wednesday, February 26th, and encourage your friends to fulfill their duty. Advertising space is needed for presenting the message. Business men are requested to contribute space. Copy will be furnished or you can write your own advertisement. Money should be sent to **DR. B. W. KILGORE**, Treasurer, Raleigh, N. C.
