The Economy of Buying Good Tires

It's mighty poor economy to put cheap tires on your car.

If you can't depend on your tires, you can't depend on your car,

—and you can't get the high grade of service it ought to give you.

It pays to buy good tires—United States Tires.

They represent the highest value it is possible to build into tires.

There are five different passenger car treads—the only complete line built by any tire manufacturer.

Each has the built-in strength that means your money back in extra miles.

Among them are exactly the tires you want for your car, and your driving conditions.

Our nearest Sales and Service Depot Dealer will gladly help you.

PRINCE ALBERT
the national joy smoke

TALK about smokes, Prince Albert is geared to a joyhandout standard that just lavishes smokeshappiness on every man game enough to make a bee line for a tidy red tin and a jimmy pipe—old or new!

Get it straight that what you've hankered for in pipe or cigarette makin' smokes you'll find aplenty in P. A. That's because P. A. has the quality!

You can't any more make Prince Albert bite your tongue or parch your throat than you can make a horse drink when he's off the water! Bite and parch are cut out by our exclusive patented process!

You just lay back like a regular fellow and puff to beat the cards and wonder why in samhill you didn't nail a section in the P. A. smokepasture longer than you care to remember back!

Buy Prince Albert everywhere tobacco is sold. Tippy red bags, tidy red tins, handsome pound and half pound tin humidors—and that clever, practical pound crystal glass humidor with sponge moistener top that keeps the tobacco in such perfect condition.
