DID HER A WORLD OF GOOD, SHE SAYS

Mrs. Moore Was so Weak She Could Hardly Get Up—Health Restored by Tanlac.

"I feel so well now that I can hardly realize the awful condition I was in before I took Tanlac," said Mrs. E. L. Moore, of 943 S. Wellington street, Memphis, Tenn.

"I had been in a rundown condition for two years," she continued, "and was so weak I could hardly keep going. I had to force myself to eat, but nothing agreed with me and I got so lifeless and no account that I could hardly get up when I was sitting or lying down, or even do my housework. I suffered with splitting headaches that would almost drive me distracted."

"My appetite picked up on my first bottle of Tanlac and I am now eating three hearty meals a day, those awful headaches are gone and I am feeling just fine. I have gained ten pounds and am strong enough to do all my housework with ease. Tanlac did me a world of good—more than all the other medicines I have taken put together."

Tanlac is sold by leading druggists everywhere.

FAST GAME PROMISED HERE NEXT SATURDAY.

When the Davidson and State College fans meet in Gastonia next Saturday, fans are promised one of the prettiest exhibitions of college baseball to be seen in the State this season.

State College presents one of the strongest teams that has represented them on the diamond in many years, every position being filled by a monogram man, with the exception of first base, and here Dick Barrus, a former Oak Ridge star, is performing in excellent style.

The Davidson aggregation also bids fair to be the strongest that has represented that school in many seasons past. Clarke and Currie, the leading twirlers of last year's team, are back on the job and seem to have struck their old stride again.

This game between the old rivals which has come to be an annual affair in Gastonia was rained out last year.

The fifth annual session of the State College Summer School at West Raleigh will start June 10, and last through July 23, 1919.
