

THERE MAY BE ONE WOMAN IN THIS CITY WHO DOES NOT KNOW OF

Welworth Blouses

—An "it" "one woman" may be you!
—It hardly seems possible that there is someone who has not heard through friends, or read in newspapers or fashion magazines of Welworth blouses—(those modish and ever so popular blouses that sell at such a ridiculously low price), still such may be the case.
—It may be possible, too, that this may catch the eye of the "one woman"—surely there cannot be more than one!

—Here, then, is a personal invitation for you—and just a bit of information about Welworth.

**Welworth Blouses \$2.50 And
Wirthmor Waists \$1.50**

—Are made by the nation's largest factory devoted exclusively to the manufacture of blouses.

—They are as pretty as it is possible to make them through the use of fine fabrics and exquisite trimmings.

—New models are introduced each week—and the low prices at which these blouses are sold is a subject of wonderment not only among women who wear Welworth and Wirthmor, but the hundreds of blouse manufacturers throughout the country as well.

—The invitation is to come tomorrow to see this week's new arrivals—they're beautiful—and you'll be glad you came!

(THE CORRECT WRITING PAPER)

—is at once the oldest and newest writing paper in America. It is the oldest in the sense that it is made in mills whose wheels started when Jefferson was President, when quality was the supreme test of a manufactured product.

It is new in the sense that the styles created by it are accepted as final by that world whose word on style is final. Displayed in great variety in our stationery department.

**"Every act consumes energy.
If a man lifts a pound a foot
high he must reproduce in his
body that amount of energy."**

This energy is obtained from food—from proteins, carbohydrates and other essential compounds contained in Schlitz Famo.

Schlitz Famo is made scientifically—primarily it is a drink, a *worth-while* cereal beverage—but finally it is food.

**Drink
Schlitz
FAMO**

It induces appetite, aids digestion, supplies the body with muscular energy and heat. It gives you protein as do eggs, milk, wheat, etc.—carbohydrates as do vegetables and cereals—mineral matter and water.

Schlitz Famo is refreshing and satisfying. It is non-intoxicating; good and good for you.

DALLAS DOTS.

(By Mrs. Joe Gribble.)

DALLAS, June 3.—People living in a country that has, at all times, been ruled by the religion of Jesus Christ, and have free access to the teachings of the open Bible, cannot conceive of the degradation and utter hopelessness of a people who are without Christ and hope in the world to come," said Rev. L. T. Newland, missionary to Korea, in his address here Sunday morning. The work of evangelizing this people as it is carried on by the Methodist and Presbyterian, the only denominations represented in Korea thus far, was most impressively told.

Rev. L. T. Newland and Mr. and Mrs. C. H. Robinson, of Lowell, were the guests at dinner Sunday of the Misses Puett.

Mr. and Mrs. Kendrick, of Gastonia, spent the week-end with Mrs. Kendrick's parents, Mr. and Mrs. J. W. Hastings. Private Kendrick received his discharge and returned home Tuesday after ten months service overseas.

Mr. and Mrs. Joe Gribble and children, James and Inez, Miss Bertie Craig, Rev. W. S. Hamiter and Frank Craig motored to Charlotte Monday afternoon. James and Frank remained for the Young People's Conference now in session at Queens College and Inez will visit Misses Flora and Arlene Summerville at Paw Creek.

Prof. J. B. Henson and little son visited in Mt. Holly Tuesday. Miss Emma Hamiter left for Black Mountain Tuesday to attend the Y. W. C. A. Conference as a delegate from Mitchell College Y. W. C. A., of which she is president.

Mr. and Mrs. G. G. L. Sawyer and children, of Gastonia, spent the week-end with Mrs. E. E. Summey.

Mr. and Mrs. J. A. Rhyme entertained at dinner Sunday Mr. Rhyme's brother, Mr. J. B. Rhyme, Mrs. Turner Smith, Miss Smith and Mrs. Ralph Rhyme, all of

Shelby. Miss Edna Holland spent the weekend in Lenoir as the guest of Miss Mary Deal. Messrs. Cecil Cornwell, of Wofford College, and Hugh Rhyme, of Lenoir College, arrived this week to spend their vacation at home.

Misses Isabel Hoffman, Nell Craig, Katherine Rudisill, Messrs. Truett Viperman, Lewis Carpenter and Cecil Cornwell were among the number composing the surprise party to Mr. Wynn Boliek Monday night. The evening was most pleasantly spent and delicious cream and cake served by Mrs. Boliek was a most welcome surprise to the party.

Misses Ethel Stowe and Althea May Hastings, of Charlotte, spent the week-end with homefolks.

A large number of Methodists attended the revival services at High Shoals Sunday. Rev. Jim Green has been holding a meeting there the past three weeks and doing great good with 50 conversions Sunday.

ESTHONIANS AND FINNS CAPTURE PETROGRAD.

(By International News Service.)
CHRISTIANA, June 3.—An unconfirmed report says that Petrograd has been captured by Esthonians and Finns. Similar previous reports proved unfounded.

HAS PERFECT RECORD FOR 12 YEARS IN SCHOOL.

Unbroken Attendance Record for Wilmington Boy Makes Him State Champion.

Wilmington, May 31.—John Bisset Warren, of the local high school, who, with his classmates has just received his diploma, has attended Wilmington city schools for an even dozen years and has never been out a single day or tardy during all this time.

The announcement at the high school finals sent a wave of incredulity over the audience. It was declared that young Warren holds the championship for North Carolina, and it is fondly believed that there isn't another boy on earth who ever went to school 12 years without missing a single lesson or having one tardy mark laid across his record.

ERROR CAUSED OFFICER TO BE REPORTED DEAD.

Chester, S. S., June 2.—Lieut. W. F. Caldwell has arrived in Chester and is visiting relatives. He was formerly a newspaper writer of this State later joining the Associated Press at Washington and from there entered the second officers' training camp at Fort Oglethorpe. Lieutenant Caldwell enjoys the unique distinction of having been reported dead by the war department, the error growing out of the death of a Pennsylvania lieutenant of the same name. At that time he was in a hospital suffering from the effects of being gassed. Lieutenant Caldwell looks in the best of health.
