FRIDAY, JULY 25, 1919.

"There are more new people in town now than I have ever known of before," was the remark made last night by a citizen of Gastonia, in a conversation concerning the era of prosperity and subsequent results being produced in Gastonia. It is a fact that just now the city is enjoying a period of unprecedented growth and expansion. Carpenters and contractors have all they can do. Houses for rent are not to be had. Within a period of 24 hours, three heads of families have been in the advertising office of The Gazette looking for rooms of any sort to rent.

The Gazette calls the attention of the young people of the county, particularly those of the rural sections, to the very excellent program being arranged for them at Linwood College next week by Miss Nell Pickens, home demonstration agent. For the girls there will be lessons and demonstrations in domestic science, home-making, basketry, weaving and the like together with attractive hikes and parties on Crowders Mountain. For the boys there will be lessons in scout craft, lectures on the war and other good things. This is an excellent opportunity for the young people of the county to get together in a community organization that will embrace all sections of the county.

SUFFERED THREE YEARS WITH RHEUMATISM, CATARRH AND STOMACH TROUBLE, SINCE TAKING NO. 40 FEELS FINE

Gary, Ind., April 25, 1919. "I suffered for over three years with chronic rheumatism, catarrh, constipation, stomach trouble, bad blood, nervous spells, aching limbs, so I could not sleep. Saw an advertisement in the daily paper about Mendenhall's Number 40 For The Blood. Thought I would give it a trial. Although I was discouraged, as I had doctored with a number of physicians, and tried numerous medicines without receiving any benefit, I have taken but two bottles of Number 40, can eat anything I want without fear and am not near so nervous and am feeling fine. I am now starting on my third bottle. Mrs. Gostine Rainey, 227 1/2 Jefferson St., No. 40 is demanded in poisoning, gouty conditions, malnutrition, auto-toxication, constipation, liver and stomach troubles. Believed to remove and prevent gall stones, appendicitis. Successfully used in eczema and skin diseases. Used with phenomenal success in chronic rheumatism, catarrh, lumbago, myalgia (pain in the muscles, muscular rheumatism or neuralgia), glandular swellings, scrofula, mercurial and lead poisoning, poxesses, sores, ulcers, boils and carbuncles.

BUTTER-NUT BREAD

Just what everybody says. After using for a while they all unanimously pronounce it the best they have ever had. You will render the same verdict if you will only phone your grocer for an order of Butter-Nut Bread and give it a trial.

WOMAN HELPS HUSBAND TO CARRY ON HIS BUSINESS

Mrs. Williams Has Become Strong and Well Since She Took Tanlac — Says She Had Suffered Ill Health For Many Years—Nothing Did Her Any Good But Tanlac.

"Ever since Tanlac put an end to my troubles I feel so well and strong that I not only do all my own house work, but help my husband at the store besides," said Mrs. James Williams, wife of a well-known grocer and market man, who lives at 5667 Metropolitan Ave., Dallas, Texas.

"For several years," she continued, "I was troubled with severe attacks of indigestion, and about three months ago, I had a spell that was so much worse than anything I had ever experienced before that it really alarmed me. My stomach would bloat up with gas, that pressed so on my heart I could hardly get my breath, and I thought I would smother to death. My head ached like it would split, I became so nervous I could hardly sleep, and in the mornings I would feel so weak and fagged out that it was all that I could do to get me and dress."

"I had taken all sorts of medicines and treatments without getting any benefits, but when several of my friends praised Tanlac to me so highly I decided to try it. Well, it proved to be just what I needed, for I began to feel better right off. I improved so fast that I could hardly realize it and I am now eating anything I want and have no trouble at all with gas and indigestion."

"Those headaches are gone, I sleep like a child and get up in the morning feeling fine. I am picking up right along, and have already gained several pounds. My confidence in Tanlac is so great that I am now telling all my friends about the good it has done me."

Tanlac is sold by leading druggists everywhere.

Summer Complaint in Children.

There is not anything like so many deaths from this disease now as before Chamberlain's Colic and Diarrhoea Remedy came into such general use. When this remedy is given with castor oil as directed and proper care is taken as to diet, it is safe to say that fully ninety-nine out of every hundred cases recover. Mr. W. G. Campbell, of Butler, Tenn., says, "I have used Chamberlain's Colic and Diarrhoea Remedy for summer complaint in children. It is far ahead of anything I have ever used for this purpose."

NOW, YOU MUST TAKE CARE OF YOUR EYES

Your sight is priceless—money couldn't buy it back once it is gone. If you hope to retain your eyesight to old age, you must give your eyes careful and scientific care. Your glasses, to be satisfactory, must represent the result of highly specialized skill. They are THE WINDOWS OF THE ENTIRE BODY. Look about you and see the people who are passing their old days in misery and unhappiness simply because they neglected to take care of their eyes in the days when a little care would have meant as much in preserving their eyesight.

The Remedy

The remedy lies in securing a thorough examination to determine the extent of the focal derangement and have lenses ground to meet their exact requirement.

Our policy is to give you a LITTLE BIT MORE in satisfaction—in dependable service—and in quality of material than you pay for. It is this LITTLE BIT MORE that makes you send OTHERS here.
