What is a Billion?

Extension Farm News. The increase in production of pork and pork products during 1918 over 1917 was in round numbers three billions of pounds.

Gift use of the word "billion" during the last two years has brought about a familiarity with the sound which fails to convey the real meaning of the word.

This is the year of our Lord 1919, and yet a billion minutes have not passed since the birth of Christ.

There were produced in these United States during the year 1918, 12 pounds of pork for each moment since the birth of Christ.

The stupendous production was taken care of through an increase of 71.7 per cent increase in exports. About 200,000,000 additional hungry people added by the armistice to our list of those to be fed give assurance of continued remunerative prices for pork products.

Are you preparing to raise hogs on your farm?

New York's Afflictions.

Most of New York's serious epidemics occurred in the first half of the last century. The city was swept by yellow fever in 1795, 1798, 1805, 1818 and 1822, and by cholera in 1832, 1834, 1849 and 1853.

Have Strong Hold on Life.

Even ear worms are among the creatures that can lie dormant in a dried-up state. Peter Sammit reports that when desiccated to 49 per cent of their normal weight, shrinking to a half or a third of natural length and volume, they may be restored to active life after 50 hours in summer or 48 hours or more in the cold.

Protects Woodwork.

When it is necessary to keep a piece of furniture from scratching or defacing the wall or woodwork, and it is not convenient to get little rubber buttons or guards, take the fingers of an old kid glove, stuff hard with wool to the size needed, fasten to the back of the article in question with tiny tacks at each end, and they will answer the purpose splendidly and are not noticeable.

RAMBLING REMARKS

BY THE GAZETTE RAMBLER

We Commend a Judge.

We have already commended Judge A. C. Jones and the way he notes and justice in the city court on the 24th of July. There have been times when we disagree with him as to convictions and acquittals; but we admit that in all probability it was because we know not the law as our friend on the bench does. But we have at times disagreed with him nevertheless.

Recently there appeared before the bar of justice a youthful offender who had repeatedly given trouble. He was tried and the evidence produced to convict him. Judge Jones had warned him repeatedly to walk the straight and narrow path. The boy had promised that he would. The spirit was willing but the flesh was weak. There was nothing else to do, it seemed, but to put the youth in the limits of the county road forces where he could be restrained from his wrong-doing. But the Gastonia judge made a way out for the boy. He spent a day in trying to find some one who would act as foster father for the boy; he finally succeeded. One of the milk men in the city agreed to employ the boy and report to the city court as to his behavior.

Judge Jones made it plain to the young fellow that he had violated the law and must pay the fine from his wages in weekly installments. He also preached a good sermon for the boy's benefit, telling him to steer clear of bad companions and wrong doing. He had to make a good citizen out of this boy who had been neglected by his parents, and we believe that the judge's plan is going to work. He gave the boy what lots of hardened criminals always ask for but seldom get: "Another chance." There was nothing spectacular about the proceedings; it was only a good man handling a juvenile offender in the proper manner. Such humane treatment is unfortunately, we take it, the right course to pursue.

We know you're right, Judge. May your tribe increase.

Deacons' Convention.

The Deacons' Convention of the Kings Mountain Presbytery will convene with Olney Presbyterian church on Tuesday, August 12th, and continue through the following day. A large attendance from all the churches in the Presbytery is expected. Delegates who come by way of Gastonia are requested to report at the Robinson Shoe Company's and transportation will be furnished to Olney church. The officers of the convention are L. L. Henderson, president, and F. L. Smyre, secretary.

PLACE LARGE ORDER FOR RUSSIAN UNDERWEAR.

The American Red Cross has been having difficulty placing an order for \$230,000 worth of underwear for shipment to Siberia, the difficulty arising out of the demand for underwear of a Russian pattern. The underwear instead of being of heavy wool for warmth in the cold Siberian winters is of heavy undecolored muslin.

This large quantity of underwear is needed in the anti-typhoid campaign of the coming winter. Without this new underwear all efforts to prevent the spread of the plague would be futile. The muslin is most desirable from the medical viewpoint in that it can be more easily sterilized and laundered.

The garments demanded by the men of this frozen country are two-piece suits, with undershirts reaching to the ankle having tape at the ankle, and running tape fastenings at the waist. The undershirts have sleeves to the wrists and button at the neck. The women style of underwear common in this country, especially in winter, is wholly unsuited to meet the demands of Siberians.

The order which has just been placed calls for 200,000 garments for the men, 150,000 for the children and 100,000 for women, with a wide variety of sizes of each.

Mrs. J. Mack Holland left yesterday for Blowing Rock, where she will spend a month or more.

REDDING-HOWELL WEDDING TUESDAY EVENING.

A very pretty home wedding was solemnized at 8:15 o'clock Tuesday evening, July 29th, at the home of the bride's mother, Mrs. Rachel Howell, at 418 East Fifth avenue, when Miss Maggie Jane Howell became the bride of Mr. Edward Hasker Redding of South Gastonia. The front veranda was very prettily decorated for the occasion with ferns and flowers. Here in the presence of a large number of relatives and admiring friends of the contracting party the wedding ceremony was pronounced by Rev. Dr. J. L. Apperman, pastor of the Dallas Baptist church. Mr. and Mrs. Redding will make their home in South Gastonia.
