FORMER RECTOR OF ST. MARK'S CHURCH HERE

Rev. G. H. Harrison, of Ashland, Kentucky, Conducting Series of Meetings at St. Mark's in Interest of Nation Wide Campaign — First Service Tonight.

Much interest is manifested in the announcement that the Rev. G. H. Harrison, of Ashland, Ky., formerly pastor of St. Mark's Church, is in the city for a series of meetings in the interest of the Nation-wide Campaign of the Episcopal Church and also Sewanee, the University of the South.

The first meeting will be held in the Parish house Tuesday night at eight o'clock and will be for men. The next meeting will be on Wednesday afternoon in the church at 3:30 o'clock for women. On Thursday morning there will be a celebration of the Holy Communion at 7:30 a. m. These meetings will all be in the interest of the Nation-wide Campaign.

On Thursday night at 7:30 o'clock the Woman's Guild will give a dinner in the Parish house for all adult members of the church. This will be Sewanee night.

The Nation-wide Campaign is the morning up of the church's power for her better understanding and fully accepted spiritual war. It is the calling into expression through the Church, for the sake of the Kingdom of God, of the same intelligence, the same swift efficiency, the same high conservatism which the spirit of man and woman rose to at the challenge of the Nation's war. It is the call of the Church to all her children to prayer, to service and to sacrifice. For Christ's sake and in His spirit to respond His cause, not only to the roughest parts of the earth, but in our own country.

The ladies have been selling weekly sewing machines for the benefit of the campaign. These machines will continue to be sold until a large amount has been secured. Mrs. J. M. Moore, of the Sewanee campaign, is in charge of the sewing machine fund and is in charge of Mr. Edmund Mazyck, general chairman, and Mrs. J. Mack Holland, chairman of the woman's department.

DENOUNCE LABOR'S DEMANDS FOR THIRTY-HOUR WEEK

ST. LOUIS, Nov. 18.—The government was criticised for its attitude towards Mexico, and laborers demanding a thirty-hour week were denounced at the convention of the American Mining Congress, in session here today.

George Otis Smith, director of the United States Geological Survey, in an address urged increased production, asserting "there can be no return to Garden of Eden conditions of consumption without productive industry."

A resolution presented by Walter Douglas, of New York, protested to the state department against "further disregard by the American government of conditions in Mexico that make it unsafe for American citizens there."

AN APPEAL

To the Democratic Voters of the Ninth District to Nominate J. D. McCall

"The militant democracy of Mecklenburg county, representing more than 6,000 stalwart Democrats, who have answered the demands of its party at all times, met in the Mecklenburg County Courthouse on November 15 and unanimously selected one of her ablest sons, Johnston D. McCall, as their representative, and the standard bearer of the Democrats of Mecklenburg for the Congressional Democratic nomination.

"Mecklenburg County confidently expects her sister counties, representing the Democratic party, and all good citizens who believe in the principles of democracy and good government to rally and support her nominee.

"It is a matter of history that Mecklenburg has not had a representative in Congress in the last 25 years, but during all this time has patriotically and loyally and gladly stood by and helped every sister county with their favored sons and staunchly delivered the necessary vote to save the district.

"We particularly call upon Cleveland County and Shelby to observe the Golden Rule and do for Mecklenburg what Mecklenburg has done for her, and her favored sons. For several terms Cleveland presented to the Democratic convention the honorable James L. Webb for solicitor, and Mecklenburg gave her endorsement. For a number of terms Mecklenburg has supported this same son of Cleveland for the honorable position of judge of the Superior Court and has done it gladly.

"It was the privilege of Mecklenburg to aid Cleveland and Shelby in nominating and electing another of Cleveland's honored sons, Mr. B. F. Dixon, to the high office of State Auditor.

"We would again remind Shelby that when she wanted to honor another of her distinguished sons, the Honorable O. Max Gardner, to the high office of Lieutenant Governor, her sister city and the grand old county of Mecklenburg stood by and helped roll up a great majority.

"We would again call Shelby's attention to the fact that when the Honorable Clyde Hoey sought the office of Assistant United States District Attorney, the citizens of our county unselfishly and heartily endorsed his candidacy and aided him to success.

"And last but not least, when Shelby earnestly desired to honor that gallant gentleman, that splendid Democrat, the Hon. E. Y. Webb, to a seat in Congress, that it was Mecklenburg, even at the expense of self-sacrifice and self-denial to her own sons, gave Shelby the necessary vote to enable them to achieve their heart's desire. We would further remind Shelby that for the last eighteen years or more the unterrified Democracy of Mecklenburg County, together with her sister counties in the District, has kept her favored son in Congress and it is a fact, known and read of all men, that for three different times the Democracy of the District would have gone down in defeat had it not been for the reinforcements and reserves furnished by Mecklenburg.

"Now, Shelby, as a unit in the Ninth Congressional District, has the eminent distinction of having the following sons in office, State and Federal: Judge E. Y. Webb, Hon. Clyde R. Hoey, holding Federal offices; Hon. James L. Webb and Gov. O. Max Gardner, holding State offices.

"By every token of fair-play, by every sense of justice, and by every element of gratitude we ask Shelby and demand of her and her citizens that they reciprocate, and do for Mecklenburg and her favored son, J. D. McCall, what we have done for her.

"For the same reason that Hon. W. B. Council and the grand old county of Catawba has deferred to Mecklenburg, we ask Shelby and the Hon. Clyde Hoey to follow their example.

"We further appeal to our sister counties of the District to stand by the Democracy of Mecklenburg and Mecklenburg's candidate, and help us elect our candidate.

"The Democracy of the District will honor itself in nominating and electing the Hon. J. D. McCall. For ten years he was the chairman of the Democratic party of Mecklenburg, and led to victory the hosts of Democracy in an hour that tried men's souls, and required the highest order of leadership and executive ability. Mr. McCall was honored by the citizens of Charlotte to the position of its chief executive.

"McCall has been one of the exponents of the State in every movement made for the betterment of North Carolina's moral, educational, industrial and material uplift, and for thirty years or more has fought the battles of Democracy.

"This is an hour in the life of the nation that calls for strong men. McCall is one hundred per cent American, stands with both feet on the Constitution, guards jealously the flag, and the fundamental principles which it represents."
