WOMAN TELLS HOW TERRIBLE SUFFERING WAS RELIEVED

What Planter's Benedicta Did For Mrs. Churchman.

Mrs. Bertha Churchman of 60 St. Medlar street, Mobile, Ala., in a letter to The Planter's Medicine Co., says:

"For four months I suffered from irregularities. I had bearing-down pains and cramps so badly that I didn't know what to do. Benedicta has done for me a world of good. I think it wonderful."

Hundreds of other women from all parts of America have voluntarily written of the wonderful way in which Planter's Benedicta has brought back health, strength and happiness after physicians and other remedies had failed to bring them relief from weakness and suffering.

Planter's Benedicta contains nothing injurious, is not habit-forming and acts as a tonic, building up and strengthening the nervous system and overcoming sex weakness, which cause so much suffering.

If you are weak, nervous, despondent, subject to the "blues," irritable and simply force yourself along from day to day, don't let anything prevent you from giving Planter's Benedicta a fair trial. For sale by J. H. Kennedy & Co.
