"There is such a thing as carrying one's love for poetry too far," stated Grout P. Smith. "Yesterday while my wife was attempting to hang up a portrait of the poet Goethe—I reckon he was a poet, or something—she fell off from the stepladder on to the cat, wrenching her back and also that of the cat."—Kansas City Star.

NO SPECIALS AT PIGGLY WIGGLY

PIGGLY WIGGLY stores do not offer a few specials at cost or below cost and expect to make up the loss by overpricing other items.

All items are sold at a small margin of profit.

PIGGLY WIGGLY does sell day in and day out at lower prices than you can find elsewhere for the reasons that a National standard governs the operation of each PIGGLY WIGGLY store and the store system which is a part of the standard is so regulated that a sales volume per store has been developed that is two and one-half times the average of the

largest per store sales volume of any other chain store organization, and the store operating cost in producing this volume is less than 5 per cent on sales which is about one-half similar cost of operating the best managed chain stores and about one-third the cost of the smaller organization of chain stores, and about one-fourth the cost of the ordinary retail corner grocery.

Such a store system can save to the consumer an average of about \$20 on every \$100 purchased from PIGGLY WIGGLY when compared with the purchases made of the regular type corner grocery.
