The Baptist Sunday school gave an egg hunt to all the children of the village last Saturday afternoon at 3 o'clock. The eggs were hidden on the hill side above the community house. Promptly at 3 o'clock a large number of happy children assembled to partake in the hunt. After the hunt ice cream was served at the Willora.

The special Easter service given by the school children added much to the Sunday morning service in the chapel.

The Woman's Club held its regular business meeting in the Willora, Wednesday, afternoon. Plans for "Clean-up week," which begins Monday, were completed and prizes offered to the children having the three largest piles of trash. All the children who take part in this campaign will be given a picnic the following Saturday. Plans were made for beautifying the yards of Spencer Mountain. At the close of the business session, a delicious salad with coffee and sandwiches were served by the hostess, Miss Tim Sloan.

Miss Jett Plonk, of King's Mountain, and Mr. and Mrs. Frank A. Schull, of Darlington, S. C., were week-end visitors of their sister, Mrs. G. V. Patterson.

Several of the girls met Wednesday evening at the Willora and organized themselves into a camp fire with Miss Tim Sloan as guardian. They are anticipating many delightful hikes during the summer months.

### MILLERAND MAY NOT GO TO COUNCIL MEETING

PARIS, April 12.—Nothing has as yet been decided as to Premier Millerand's attendance at the supreme council meeting at San Remo, and it was declared today in a reliable source that if the conference there was to discuss the misunderstanding between France and Great Britain, he would not go at all.

A personal talk on the subject with Premier Lloyd George would be welcomed by the French premier if Mr. Lloyd George could find it convenient to come to Paris, but it is considered in official circles that as the point at issue interests France and Great Britain only it is needless to discuss it before the representatives of the other powers.

It is held here that the British government in persisting in the discussion has put the matter in a form where it is difficult to see what satisfaction it is possible to give. France has not been asked to evacuate Frankfurt, and the impression is gaining ground, it was indicated, that what is sought above all is to discipline France.

The Earl of Derby, Great Britain's ambassador to France, attended the council of ambassadors here today. The Hungarian treaty was the sole matter under discussion.

### AT THE THEATERS

The Ideal theater offers today "The Black Secret," "Wild Engine," Larry Samon in "The Grocery Clerk" and "Artless Artie."

The spectacular photo-play "The Birth of a Race" has been exclusively booked at the Ideal Theater, Thursday and Friday.

This greatest of all film productions, cannot be missed by any person—man, woman or child—who is interested in the wonders of the silent drama—far beyond the conception of the average mind, as to magnitude, artistic development and scenic splendor. This picture has created a sensation wherever it has been shown and is greeted by enthusiastic audiences. A cast of performers selected with great care from the stage and screen is but one of the perfect details in making this picture the peer of past productions.

### DAINTY LITTLE EDNA PARK COMING TO GASTONIA.

Prominent Little Actress Brings Her Clever Company Here for an Indefinite Stay.

The management of the new canvas theatre located at 106 N. Oakland street has contracted with Mr. Jack Edwards, manager of Dainty Little Edna Park and her players, to bring this excellent dramatic company to Gastonia for an indefinite engagement starting Monday April 19th.

When Dainty Little Edna opened her engagement at the Airdome theatre in Miami, Fla., she made a host of friends and admirers at the first performance. Business increased each and every night and at the end of the second week Manager Leach of the Airdome, was forced to move Little Edna and her company to the Mank, the largest theatre in the city, where they remained for twelve weeks more, showing to ever increasing business. Every one fell in love with the dainty little star and would refer to her as "Our Edna." Miss Park is already booked for a return engagement at Miami for next winter.

The first play to be presented by this charming little actress and her company will be "The Sweetest Girl in Dixie." Don't miss it.
