**THE OCCASION**—The above is a photo taken of an elementary class at Mount Olive in the fall of the 1915-16 school year, but the person bringing it to The Tribune office doesn't recall the occasion for the photo. Many of those in the picture still are residents of this community and might be able to give a helping hand by calling 2345 and naming the occasion for the taking of the photograph. Mr. Rogers, third row, right, is the instructor.—Tribune Engraving.
