4 reasons why

Ford leads 'em all in station wagons

They're America's best sellers and your best buy!

No other car offers you so wide a choice of station wagons! And no other offers a choice of such modern power in them. Ford's new 130-h.p. Y-block V-8 and 115-h.p. I-block Six are low-friction, deep-block engines that give you extra "go" . . . extra smoothly.

Ford's wide, soft seats, new springs and shock absorbers plus Ball-Joint Front Suspension give you the smoothest riding, easiest handling "carrier car" on the road!

And there's room aplenty. Both Ranch Wagons seat six, and with "stowaway" seat and tail-gate down, they give you cargo space almost eight feet long. The Country Squire and Country Sedan seat eight, or convert easily to give you cargo space over 8½-foot long.

We cordially invite you to Test Drive the '54 Ford

Worth more when you buy it . . . Worth more when you sell it!
