

DREAM REALIZED—Members of the Scott's Store Home Demonstration club and the Herring's Store Lions club realized a dream this month when the community building, shown above, was opened. The clubs have long wanted a meeting place of their own, and in the fall of 1953 began work on the building.

Scott's Store Club Now Has New Club Building of Its Own

By MRS. OARRIE J. SCOTT

"Start to sing as you tackle the thing that cannot be done and you will do it."

The Scott's Store Home Demonstration club must have whooped it up plenty for in less than four years it has seen the almost impossible come true.

When the home demonstration club was organized there in 1950, members dared not dream that

within a few years they would have a meeting place of their own. But with the cooperation of the Herring's Store Lions club, they have seen this dream come true.

Last Wednesday, the home demonstration club for the first time met in the new Community building.

Plans for a Community building began to formulate soon after the two clubs were organized. Members worked together in various ways to raise money for the project. In the fall of 1953, work on the building was started and through untiring efforts is nearing completion.

And already the club has made plans to meet again in the building. During last Wednesday's meeting it was decided to hold the October 6 meeting in the Community building with Mrs. Edwin Holt as hostess.

For their first meeting in the building, the club held no special ceremony. Miss Hager, assistant home agent, gave a demonstration on furnishing homes for children, and during demonstrations she stated that many accidents occur in homes because of inconvenient equipment for children to use.

After the demonstration, project leaders reported, and then Mrs. Jasper Herring and Mrs. Nora Outlaw, hostesses, served refreshments.
