

# Brogden Winner of 2 Games From Panthers Tues. Night

Brogden held the Mount Olive boys to only eight points in the first half and coasted to an easy 48-38 victory in a high school basketball game played here Tuesday night. The victory was the second of the evening for the Brogden school, whose girls' team defeated the Pantherettes 78-53 in the preliminary.

The boys' contest got off to a slow start for the Panthers, who made only six points in the first quarter and two in the second stanza. At the half, Brogden was leading by a 28-to-8 score, but in the second half Mount Olive came to life and racked up 30 points, while holding the winners to 21.

Eddie Hester, with 14 points, was high scorer for the losers, while his teammates, Bert May and Tinker Bell, accounted for 10 each. Martin led the Brogden attack with 15 points and was followed by Rackley with 14, and Coates, 10.

In the preliminary contest, the Pantherettes also got off to a slow start in the first period, letting Brogden take a 18-5 lead. In the second quarter, Mount Olive scored 16 points but left the floor at intermission trailing 45-21.

In the third stanza, the Pantherettes scored 19 points to 18 for the winners, and in the final period, Mount Olive had 13 points to 15 for Brogden. Mary Wolfe, with 23 points, was top scorer for the Pantherettes, but game scoring honors went to Brogden's Best, who had 41. Wiggins of Brogden accounted for 29 points, while Mary Helen Burgess, with 21, was runner-up for scoring honors for the Pantherettes.

Starting guards for Mount Olive were Josephine Hatch, Tenny Warren, and Gaynelle Puckett, with Gray, Brown, and Smith leading defensive play for the winners.

# Carver Tigers Play Three Games in Three Days, Win

The Carver Tigers, playing an iron-man role by meeting three opponents in as many school days, added two victories to their record. The Baby Tigers took two games, and the girls' team lost in its only appearance of the week.

The varsity lost to Douglas High of Warsaw 70-40, Friday night, then returned home to trounce Frink High of LaGrange 70-51 on Monday night and Tuesday night trounced Friendship High of Fremont 65-31.

The Baby Tigers won 40-27 in the Douglas game, and in an overtime thriller edged out Frink 31-30. The girls lost 33-12 to a strong Fremont sextet Tuesday night.

In the Frink game, the Carver varsity took a 13-0 lead before the LaGrange team could dent the scoring column with a charity toss. The Tigers continued to pull away to lead 22-4 at the end of the first quarter. At the half they were

leading 36-21. The Tigers played the game without the services of their co-captain and leading scorer, Earl Raynor, who is nursing an injured hand, W. Garner took his place on the starting five. Scoring honors went to F. Bryant who accounted for 15 points.

In the Fremont tilt, the Carver second team frequently rested the starting five and had coasted to a 35-17 half-time lead. But in the third stanza the Tigers' diminutive fireball, Spencer Durante, was injured as he was fouled driving in for a lay-up. This fired up the Tigers who unleashed a furious fast-breaking attack to humiliate the visitors. T. Lane was high scorer for Carver, netting 22 points.

Amos West led the Jayvees to victory in the Frink game, accounting for 10 points.

Tonight the Tigers are hosts to Springfield High school. The first game starts at 6:30.

PLASTIC RELIEF MAP, which takes much of the mystery out of military map reading, is studied by Lt. Col. Raymond R. Mays of Portland, Ore. Mays is chief of the Army Map Service's Relief Map Division which is located in Washington, D. C.

### CARD OF THANKS

We would like to express our appreciation to relatives, friends, and neighbors for their kindness during the long illness and death of our husband and father, Deems May. —Mrs. Deems May and Children.

### CARD OF THANKS

We want to sincerely thank each and everyone who in any way helped us during the short illness and death of our beloved husband and father, for your wonderful kindness and sympathy. And may God richly repay you for all you did in our behalf in this sorrowful hour. The Jesse Gautier Family.

## Tribune Sport Notes

By CALVIN PORTER

It is encouraging that the Finer Carolina committee is stressing recreation in this year's program. Recreation in Mount Olive in the past few years has gained ground, but still has not been taken in its right perspective.

To put recreation in its proper orbit, a program must deal more with youth, and at the same time not ignore the older fellows. Mount Olive, despite not having a full-time director, came up with a commendable recreation program last summer, but its weakness lay in that the youngsters were pushed to the background.

Last summer, Mount Olive had softball for the older folks, swimming and tennis for the younger set. But the major sports, including our national past-time—baseball—were not available in organized recreation here.

### Leslie Williams Dies Near Warsaw

Leslie D. Williams, 53, died at his home near Warsaw early Wednesday morning. Funeral services will be held in Warsaw this afternoon at 3, with interment in Pinecrest cemetery in Warsaw.

He was the son of Mrs. Cora Williams of Mount Olive. Other survivors are three sisters, Mrs. Estelle Cooper of Mount Olive, Mrs. Agnes Chandler of Atlanta, Ga., and Mrs. Connie Oliver of Greenville, S. C.; one brother, Ernest Williams of Goldsboro; his wife, the former Russell Burbage of Beaufort; one son, SSgt. James O. Williams; six daughters, Mrs. Iris Mathis and Mrs. Jo Ann Jones, both of Warsaw, Adelaide, Janice, Jewell and Sue Williams of the

The Jayvees, who have been in charge of these recreational programs, and who probably will be continuing their project again this summer, wanted like everything to have Little League baseball here last summer, but ran into difficulty. There were no adults around to supervise and another problem was in scheduling games. In short, the program died before it was born.

A ray of light flickers that a Little League baseball team could be operated, if advanced planning was done. Last summer's softball program went over big and its organization was planned in late spring. A little planning now might bring about the expansion of the summer recreation program. It is not too early. But to bring about an expanded program it will take more than the Jayvees. It will take the work and cooperation of everyone.

### Poultry School in County Next Week

A poultry school to assist poultrymen with their poultry problems is scheduled to be held in the Wayne County Agriculture building in Goldsboro on Wednesday morning, February 16, at 10 o'clock.

"Contagious Poultry Diseases," "Getting More Eggs Per Bird" and "Merchandising Eggs" will be the topics of discussion on the program. Poultry specialists from the N. C. Extension Service will be present to discuss these topics.

All poultrymen and interested persons are invited to attend. The school will be over at 12:00 noon.

## Discuss New Law With County Heads

State Senator D. J. Rose and Representative William Kemp, Sr., met with the county commissioners this week to discuss legislation dealing with re-districting the county for election of commissioners.

The proposal is to have a commissioner elected from each district and voted on by the entire county. Another proposal is to require voters to cast ballots for five commissioners for the ballots to be counted.

Action on the proposed legislation is being deferred until the reaction of the public can be registered.
