

# WHAT THE YOUNG FOLKS ARE DOING

By SYLVIA MARTIN

All folks!  
Well, not too far in the future there seems to be a dim light which means parties, parties, and more parties! Fact is, that two BIG social functions are on the program THIS week, but since I must meet a deadline I'll have to tell you about them next week.  
Young ones, old ones, fat and skinny, short and tall... yep, everyone is wearing those things (bermuda shorts) these days! Most any place you look, you'll see shining knees. Jimmy Burnette was quite a sport last Saturday night when he appeared at the Explorer Scout dance in bermuda shorts, high socks, etc.  
Gaynelle Puckett, Ernest Bracey, Jimmy Bracey and yours truly decided to get real energetic last Tuesday night. You just can't beat that homemade strawberry ice cream, and what I mean we didn't even have to turn the freezer. Electricity was the great discovery!!  
Stuart Patten, Clark Council, Tommy Clifton and Billy Patterson are the Scouts from Mount Olive who are making the trip to New Mexico. This is the annual expedition to Philmont Ranch near Cimarron, N. M. Before leaving Stuart and Tommy surprised everyone by new crew cuts and their own girlfriends would hardly recognize them!

Cooke, Johnny Thigpen, Harry Cook, Sybil McCullen, Barbara Ellis, Rose Lindsay, Tommy Avent, Mary Wolfe, Pete Kelly, Virginia Pigford, and loads more.  
Sybil McCullen and Barbara Ellis were at Carolina Beach last Thursday, but they rushed home to be with the gang Thursday night. Can you imagine not wanting to stay at the beach?  
Lloyd Warren, Jackie Crumpler and Bert May left for the beach Sunday. You know they're having a fine time!!  
GOSSIP BITS: Home from Carolina are Jack Grimes, Andy Andrews, Billy Warrick and Bob Holmes. Gaynelle Puckett was seen with Billy Summerlin Wednesday night. Isn't Mark Cherry getting around quite a bit these days?? Laurence Hassell has a reason for liking Faison and her name is Annette Davis.  
Friends are wondering if Rebecca Oliver wasn't the gal riding around on a Chevrolet Saturday night. Patricia Hines is being seen with Bob Whitfield. Anne Bracey was dating June Wolfe last weekend. Isn't there a certain young man in town who is trying to give Gene Wolfe a little competition with Carole? What couple's having a little trouble because of a third party and last Sunday night? Violet Goodson was home last weekend from Raleigh.  
Mary Stevenson Britt and Boyd Wilson spent last weekend in Jacksonville. See ya!!

**PROVE NOTHING**  
Experts sometimes prove their point by making the facts agree with their theories.

**Most Modern, Shortest Stroke V8's in any leading truck!**

**New Chevrolet Truck-Force Trucks**

Here's the measure of a truly modern V8 engine—Chevrolet's advanced over-square design. It means less friction... longer engine life!

Here are more dollar-saving reasons why Chevrolet trucks offer the most modern V8's for your money!

- MODERN 12-VOLT ELECTRICAL SYSTEM: Double the punch for quicker starting and more efficient ignition for finer performance.
- VALVE ACTION: Valve action is more positive at all speeds for finer, smoother performance.
- HEATING OIL SYSTEM: Oil intake selects the cleanest oil for positive full-pressure engine lubrication.

weight, more of the power is actually available for hauling.

ADVANCED AIR-CRAFT-TYPE VALVES

With a high 7.5 to 1 compression ratio, Chevrolet's new V8 truck engines squeeze extra power—and work—out of gas.

Since these V8's deliver high power per pound of engine
