

# Panthers Wind Up Season Here Tonight When They Meet LaGrange at 8 o'Clock

The Mount Olive High school football team will wind up its season in a home tilt with LaGrange tonight, Friday, at McGee field. Kick-off is set for 8 o'clock.

The Panthers will go into the game against the conference co-champions of last year favored to win by 21 points, the most odds given the high-flying Mount Olive eleven this year. In conference play, the Lenoir team has won two, lost two, and tied two this season.

Six Panthers will bow out of high school football competition with tonight's game. They are Boyce Honeycutt and John Weatherly, ends; Tommy Avent, tackle; Ernest Bracey, center; Harry Cooke, quarterback, and Dave Gillis, halfback. With the exception of Weatherly, all are members of Coach Dave McClenny's starting crew.

The Panthers have clinched second place in the conference standings with a conference record of five wins against one loss. Mount Olive's season record is eight wins, against a lone defeat, the locals' best record in several years. Tonight's contest also will mark the end of an era in which the Panthers finished the season against their arch rival—LaGrange. Starting next year, Mount Olive and the Lenoir eleven will meet in the conference opener.

Jasper L. Lewis of LaGrange, secretary of the East Central Athletic conference, has announced that the

Wallace Bulldogs, undefeated in conference play, have been declared the loop champions and will meet Morehead City in the District Two championship game tonight on the Swansboro gridiron.

## Gillis Has Little Chance of Breaking Daughtry's Record

David Gillis' chances of setting the Panthers' all-time rushing record appeared dim this week as an official check of the records disclosed he would need to gain 275 yards in tonight's contest with LaGrange to top the 1,300 yards gained in 1953 by record-holder Glenn Daughtry.

Gillis has gained 1,025 yards in 98 rushes this season, giving him an average of better than 10 yards per carry. Until an official check of the records were made this week it was believed the Mount Olive halfback was on the threshold of setting a new rushing record for the local eleven.

Gillis, however, is in a position to break Daughtry's scoring record. The former Panther fullback, now a guard on the University of North Carolina eleven, scored 74 points in his senior year, two more than Gillis has at present.

One touchdown tonight by the Panther halfback will give him the record in the scoring department. Gillis' average of a first down each time he has carried the ball is a shade better than Daughtry's. The former Panther averaged about eight yards per carry.

Except for picking up yardage and scoring, the resemblances between the two players end. Daughtry, who was called for nearly two-thirds of his team's carries, bulled his way for yardage, while Gillis has depended upon speed and shifty running.

## Practice at Springs In Full Swing

Mark Herring, coach at Seven Springs High school, says he is expecting his girls basketball team to be in the thick of the first division fight this year but admits his boys club, which finished last in the Wayne conference last year, will continue to be weak, although improved.

So far this season practice has been limited because of repairs being made on the gymnasium's floor.

Herring has returning from last year's girls' team, Margaret Singleton, Ruby Ivey, Jean Edwards, Eula Rose Grady, Patty Price Daly, Lou Ellen Nolan and Margaret Potter.

For his boys team, Herring has, Sylvan Hardy, Randall Korngay, Jimmy Adams, Durwood Holmes, Windall Whitman, Travis Herring, William Etheridge and C. C. Price.
