Modern Etiquette

Q—Is it ever proper for a man and girl to meet at some designated place to go on a date, rather than at the girl's home?

A—As a general rule, the man should always call at the girl's home for her. However, there are exceptions—as, for instance, if the man has to work late, has tickets for a certain show and cannot possibly call at the girl's home and arrive at the theater in time—then she may meet him in front of the theater.

Q—If the bride wishes to wear her engagement ring during the wedding ceremony, on which finger does she wear it?

Pan-Fried Chicken for Dinner Is a Dish to Crow About

BY DOROTHY MADDOX

WHAT can be better eating than a tender frying chicken when perfectly pan-fried? "Nothing" is a good answer. So let's get on with preparations for an easy-to-prepare feast.

Pan-Fried Chicken

One chicken for frying, 1 cup flour, 2 teaspoons salt, ¼ teaspoon pepper, 2 teaspoons paprika, ½ cup butter or margarine (¼ pound), shortening, 3 tablespoons water.

Have chicken drawn and cut into serving pieces, or, if "quick-frozen," thaw according to directions on the box. Rinse in cold water and drain.

Mix flour, salt, pepper and paprika in a paper sack. Shake 3 or 4 pieces of chicken in sack at a time to coat thoroughly.

Heat the butter and enough shortening in a heavy skillet to make a layer of fat ¼-inch deep. With kitchen tongs place chicken in hot fat, skin side down. Brown and turn.

Add water and cover tightly. Reduce heat, and cook slowly about 30 to 40 minutes or until chicken is tender.

Here's a novel potato dessert to add to your culinary repertoire.

Chocolate Potato Cake

One-half cup mashed, warm potatoes; ½ cup shortening, 1 cup sugar, 1 teaspoon salt, 1 teaspoon vanilla, 2 eggs, 2 squares melted chocolate, 1 cup flour, 2 teaspoons baking powder, ½ teaspoon each of cinnamon, nutmeg and cloves, ½ cup chopped walnuts.

Cream shortening, sugar and salt; add eggs and beat. Blend in melted chocolate and warm mashed potatoes.

Sift flour with other dry ingredients and add alternately with milk. Add chopped nuts. Pour into well-greased square pan 8x8x2

Pan-fried chicken, broccoli with cream sauce and sliced tomatoes bring springtime to a winter-weary table. inches and bake in moderate oven (350 degrees F.) about 30 minutes. This cake will stay nice and moist.

Frosting for Potato Cake

One-half cup sugar, 1½ tablespoons cornstarch, 1½ squares semi-sweet chocolate, grated; ¼ teaspoon salt, ½ cup boiling water, 1½ tablespoons vanilla.

Mix sugar and cornstarch. Add chocolate and salt. Add water. Cook until mixture thickens. Remove from heat. Add butter and vanilla. Spread on cake while hot for a glossy frosting.

up her napkin. And be sure not to unfold the napkin completely. Open it only in half and lay it across the lap.

she should walk beside him unaided.

Truth may be the best policy—but not nearly so convincing.
