Bennett's Virgil
Latane's History of U. S. and Magruder's American Government
Chardanal's Complete French Course
Domestic Art
Spelling, Payne
Teller & Brown's Business Methods

Arabia News

Why not leave from Arabia again?

As folks cease tending the protracted meetings their attention is drawn to the fodder and cotton fields. The harvest seems very promising, but labor these days, is the!

Miss Sadie Matthews of Wilson spent last week with her cousins, the Misses McDonald.

Folks enjoyed that meeting Rev. Gill held at Lumberton.

Listen, men! Get busy and bring that phone line up to Arabia. The Parkton people got us far as Mr. D. L. McCougan's. It would help us greatly.

We notice a good many of our folks has been going to the beach this summer.

Schools everywhere will soon be going, but boarding is a proposition. The school here will perhaps start in October some time.

Which one, Cox or Harding?

The Reason Why

Sept. 2, 1920.

Mr. D. S. Poole, Editor
Raeford, N. C.

Dear Mr. Poole:

Knowing of the prices that must prevail for cotton seed and its disastrous effects to our section as well as the whole south I am giving you some figures that I have recently seen that will help to explain condition.

The following statistics from the Bureau of Statistics of the Department of Agriculture have

cotton seed oil:

Chinese Nut Oil 11,000,000 lbs

Cocoonut Oil or Copra 269,220,000 lbs.

Foreign Cotton Seed Oil, 24,000,000 lbs.

Olive Oil, 7,000,000 lbs.

Palm Oil, 50,000,000 lbs.

Oriental Peanut Oil, 22,000,000 lbs.

Rape Seed Oil, 1,000,000 lbs.

Soy Bean Oil, 194,000,000 lbs.

Total, 580,000,000 lbs.

or changed to barrels over 1,450,000 barrels while the total production of refined cotton seed oil was 2,700,000 barrels.

With all this oil coming in we have to carry over for the new crop 750,000 barrels of cotton seed oil showing that we are not producing quite as much cotton seed oil as is consumed and exported and that our markets are now controlled by world conditions.

The Peanut Growers are urging their congressmen to vote for a tariff to protect them from foreign competition when low standards of living prevail and now as we see this working out every man interested in the welfare of the section should give this very careful consideration.

Respectfully
PAUL J. BARENGER.

Mr. E. B. Rhodes and Mr. W. T. Crump and family passed through town Tuesday morning enroute to Wallace where they will make their future home, but they will still be in their home in Wagram occasionally.

Jack Dempsey knocked out Billy Mike at Beaufort Harbor, Mich., Monday. But in such brutal sport there is nothing to make the world sadder.

Ed Peterkin, who farms for Mr. J. S. Johns, had a bale of cotton last week but he didn't have it ginned because those seed are to be used for planting.

Locals.

Mr. L. S. McMillan spent Sunday in town.

Mr. D. A. McMill and family of Vance were in town Monday.

Mr. Ernest Fridell, of Hamlet, was in town the first of the week.

Mrs. Paul Dickson and little son are visiting relatives in Reidsville.

Lumberton defeated Raeford at Lumberton Saturday in baseball 5 to 2.

Miss Ethel Rackley who has had a position in Raleigh has returned home.

The Fayetteville Conservatory of Music opens the 1920-21 session Sept. 14th.

Mr. and Mrs. E. C. Heins have returned from a pleasant visit to relatives in Charleston, S. C.

Mr. and Mrs. Frank Blue, of Carthage, spent the week-end with their parents, Mr. and Mrs. N. S. Blue.

Miss Helen Dickson, returned a few days ago from a visit to her sister, Mrs. Harry Lindeman, Raleigh.

Miss Alberta Fuller leaves today for Greensboro College, Greensboro, formerly Greensboro College for Women.

Mr. L. E. Hobson of Raeford, R. I. was in town Saturday selling his grown cabbage, some of which weighed 1 1/2 pounds.

Mr. J. M. McLeod and family were in town Sunday.

The Raeford graded school had an auspicious opening Monday, and we hope to have the most successful term we have had in years.

Rev. Menius of Lillington began a series of meetings at Phillips Monday night. These services will continue twice a day through next Sunday.

Mr. N. A. McDonald of Timberland has been sick, however, he was able to attend a meeting Monday of the board of education, of which he is chairman.

Miss Blanche Bailey of Wilmington, a member of the Franklinton graded school faculty, is spending this week with Miss Maude Poole. They go on to Franklinton Friday.

Luther Purcell, colored, who farms for Miss Mary E. McLean near Bowmore, brought in the first bale of cotton for this season Monday, and sold it to McLaughlin Co. for 28c per pound.

Mr. J. K. McNeill had real nice sweet potatoes from his patch in July, and few days ago we saw a boxful he had brought to the store that were unusually fine. They are Porto Rica yams.

Evangelist Wm. Black of Charlotte is preaching each day at Montrose at 11 a. m. and at 8 p. m., the song service beginning at 7:30 p. m. These meetings will continue through next Sunday.

NOTICE

Having qualified for the work I am ready to offer my services to the cotton growers of this section for grading and stapling their cotton for this season. Find out what you have, then you are ready to offer it at the market price. I am here to help you and will be glad to see you in Raeford any time, or phone me at Mrs. O. L. Jackson, No. 143.

D. C. OLAPP, Grader.

Rehearsal Here

Miss Fola Dalton gave a party Tuesday afternoon from 2-4 in honor of Miss Venilla Holden of Barium Springs, who is visiting C. S. S. in this community. Games were played and Miss Mary McJannet won prizes for wearing the broadest smile. It measured 3 inches. Miss Fola Dalton also won a prize in another game. After this, ice cream and coffee were served and all report having a real good time.

Miss Lucile McKenale left Wednesday for Dillon, S. C., where she is visiting friends.

The Junior class which meets every Wednesday at 4 p. m. had its monthly social this week. The class had 25 on roll from ages of 8 to 16 and they have some real good times along with their work. After an hour of work, such as reciting, singing, etc., they were called into the yard where the teachers gave them ice cream and cake. A few games were played and they departed.

The revival held by Evangelist Gill closed Sunday night of last week. We had much good work accomplished. We were also glad to have Mr. Floyd Alexander who had charge of the singing.

Antioch.

Just a word from Antioch: We are having a fine time second old Antioch; the farmers are jubilant over their fine cotton and corn, which are very good, but when they hear of the great slump in the price of cotton they are a little blue. The most beautiful flowers have their thorns.

The new dormitory on the school grounds will be completed soon, so school will start on time.

But what I started to write about is our singing class. We have fifty or sixty pupils; our teacher is Prof. A. D. Currie of Lenoirville, and he knows what he is talking about. The book we use is Progress in Song. Wish you could hear them sing "My Far Away Home," and "Jesus Lover Of My Soul." Our school will close Sept. 15th. We will have a concert that night. A play entitled "The Beautiful City" will be given, and after the play Prof. C. D. Franks will address the school and the audience, so we ask you and your readers to come.

Mrs. L. S. McMillan is visiting Mrs. R. L. Bethune.

GOOD values in men's and boy's shirts.
Bacon's Cash Store,
Raeford, N. C.

THE VARIETY STORE

Has More New Goods Than Will Interest the Careful Buyer.

Rolling Dollars

Gather No Interest--

And interest is what makes dollars grow-- safely.

Of course, if you have saved money, you have it on interest--if not in good securities, then certainly in the bank.

Surely you are not one of those who use shot bags, stockings, tin cans and pots as depositories. If you are, you'll eventually be sorry.

It's far better to be safe than sorry.

We pay 4 per cent. interest--100 per cent. SAFETY.

The Bank of Hoke Raeford, N. C.
