**The only cap that's right for rainy-day wear—"SURE-FIT"**

THE ONLY cap, we repeat. A strong statement, that—but consider the facts: Suppose it's blowing like all sixty. You take hold of the little strap on your "SURE-FIT", snug it in a bit as you would your belt—and that cap'll sit tight till your head blows off! Suppose you're out for some time in the rain. Any cap'll

shrink then. You'd be darned uncomfortable in an ordinary cap. But you just ease out the strap in your "SURE-FIT" and go on smilingly.

Tight or loose, or in-between, your "SURE-FIT" always fits—comfortably, perfectly.

And, if you get one of the show-proofed "SURE-FIT" you'll be cock o' the walk so far as head-gear is concerned. The show-proofing process keeps the cap in shape, improves its finish, makes it last longer, and sheds showers like a duck.

See the new Fifth Avenue styles and patterns that have just come in. Prices the same as you'd pay for any stylish cap—and you get "SURE-FIT" unvalued comfort.
