Make Banking

A Family Affair

From the wee tot in the cradle to a grandmother with her pin-money account, banking would serve every chit and chick of the whole human family.

And this bank, if you please, would serve best! No, not by any peculiar virtues or rare qualities of goodness---but by the mind to seek your satisfaction as our best reward.

INTEGRITY SERVICE

1924 Model
Studebaker Light-Six
Touring Car
\$995

The Price of This Car Is Misleading

Some buyers take it for granted that cars which sell at about the same prices are equal in value. This is distinctly not the case. To buy on this basis would be an injustice to yourself.

You can pay several hundred dollars more than the Light-Six price and get a car that represents no greater, if as great, intrinsic value as the Studebaker Light-Six.

Or you can pay about the same price as the Light-Six, or less, and get a car that is high-priced when compared with the Light-Six because it does not represent as much for the money invested.

And in the Light-Six you enjoy all the advantages of smooth, flexible, dependable, six-cylinder performance.

You get a beautiful, substantial, well-built, roomy and comfortable car.

The practical absence of vibration in the Light-Six is a notable achievement. It is due largely to the fact that the Light-Six crankshaft and connecting rods are machined on all surfaces. This is an exclusive Studebaker practice on cars within hundreds of dollars of the Light-Six price.

Stop in and see the 1924 Model Light-Six.

Test it for yourself—drive it and make your comparisons. Driving is believing.

After seventy-one years of service the name Studebaker enjoys confidence and respect more than ever.
