A PRAYER.

Give me strength, Father, I pray Thee, just for today: Strength to meet the tasks - That would o'er whelm me; Strength for the duties That seem too hard for me.

Give me patience, Father,

The County Commissioners at their last meeting ordered the sheriff to postpone the advertising of land for taxes until May the 1st, in order to give those who have not paid, another month in which to pay up. Now it is hoped that this will be sufficient time and notice, and those who are behind will take advantage of it. The money is badly needed and the sheriff does not want to humiliate any one by advertising their land for the taxes, but the taxes must be
