

HOKE COUNTY JOURNAL

LOCAL NEWS.

This is an anti-bill weevil winter. Don't fret.

Attorney E. S. Smith is in New York on business

Mr D B McQueen of Albe marie was in town Saturday,

His friends are glad to hear Mr. Kelly Season's is improving.

A Fiddlers' convention will be held in Raeford some time in the near future

Mr. A. G. Jones is at Highsmith's hospital critically ill, we are sorry to learn.

The building formerly occupied by Page Trust Co. is now rented to the A. & P. store people.

Farmers are cutting stalks and plowing. It's the idle man who is dissatisfied, and dangerous.

Miss Vinnie Smith is still at Highsmith's hospital, and is not improving, we are sorry to chronicle.

The farmers of Hoke have had good weather for saving pork, of which most of them have a plenty for their own use.

Mr. Truman Austin was with American Express Company in Laurinburg for a while is back with the L. & S. in Raeford.

Mr. Fay Morris underwent an operation at Highsmith's hospital a few days ago, and we are glad to report that he is doing well.

Three convicts, Sandy Campbell, 7 months, Will Powell and Curtis Scurlock, 4 months each, are present at the Wayne county roads this week.

Pinehurst, Incorporated, has given up the management of the Sandhill Fair, which means that thing is numbered with the things that used to be.

The Men of the Church meet at the Presbyterian church Friday evening at 7 o'clock, and we hope every man in the church will attend. Come out, MEN!

The youngest child, a 2 year-old son, of Mr. and Mrs. M. A. Campbell, was carried to Highsmith's hospital for an operation for hernia a few days ago. He is getting along well.

Workmen are at work remodeling and rebuilding that part of Hotel Raeford that was lobby, dining room and kitchen, which will be converted into a store to be occupied by Farmers Furnishing Co.

Mr. Kenneth Ritter of Rockfish was taken very ill 2 weeks ago, called Dr. K. B. Geddie, who at once carried him to Highsmith's hospital, where he was operated on for ulcer of the stomach. He had a close call, but is improving.

Use Acme Fertilizers For Profitable Crops

Above is shown a section of the Acme Manufacturing Company's big plant at Acme, N. C. Here are made the old reliable Acme Fertilizers, famous for forty-four years as growers of banner crops.

Planters now figuring their fertilizer requirements for 1926 and who are not familiar with the Acme brands should get in touch with the nearest Acme dealer and learn the facts about Acme's superiority in producing better and more profitable crops.

Donald MacRackan, of Whiteville, N. C., says: "I have been using fertilizers made by Acme for the past ten or fifteen years. I have found these fertilizers to be thoroughly reliable and productive of very satisfactory results.

"Thorough preparation, early planting and proper cultivation and liberal application of Acme fertilizers is sure to produce very remunerative returns. "In my opinion there's none better."

Acme Fertilizers will give you good results, too, and you will find it a pleasure to deal with this independent home company.

Since 1883

We

to express our appreciation to many friends for shown us during

In the meantime resumed business and your trade.

Hoke D

New

We wish all our patrons a prosperous Year. We will be pleased to serve you as well and hope for a year than ever. We can serve you.

Raeford D

FERTILIZERS

The New Year finds us in a better position to fill the fertilizer requirements of the peach, tobacco and cotton growers of Hoke and adjoining counties than at any other time in the history of our business; and our stock of standard commercial fertilizers have been augmented with a variety of special mixtures which experience has shown are specially adapted to the various soils of this section.

Right now we wish to call attention to a special meal mixture suitable for tobacco plant beds, and we urge growers, especially those who desire to better the grade of their tobacco, to get our prices, which are remarkably low in view of the high quality of this mixtures, as well as quotations on any other grades and mixtures that may be required during 1926.

Do not buy until you see us.

Blue Fertilizer Company
