In a Bad Fix from INDIGESTION

"I had suffered with indigestion for 6 years," says Mr. H. C. Dove, R. F. D. 4, Chester, S. C. "I had gotten to the place where I could hardly eat a thing—everything hurt me. I had smothering spells and fell off 20 pounds. I was in a bad fix. I read of Black-Draught and decided to try it. I do not believe that I would have been living today had it not been for Black-Draught. I had gotten to where I only ate milk and crackers, but after taking Black-Draught I began to eat and gradually got my appetite back. I gained in weight and felt better. I have not had a bad spell of indigestion in ten months."

Thedford's Black-Draught is prepared in a powder from medicinal roots and herbs. In use over 85 years.
