## Educational Dept. Meets.

The April meeting of the Education Dept. of the Woman's Club met at the home of Mrs. H. W. B. Whitley with Mrs. Whitley and Mrs. Cromartie as hostess.

The home was very inviting with its decorations spirea and lovely pink tulips.

Mrs. Seate, the chairman, called the club to order, and after the roll was called and minutes read several names were voted upon and unanimously elected to be members of the Education Department.

Mrs. Upchurch, president of the Woman's Club, urged the observance of American Forest Week, April 22-28, giving the origin of the custom. A motion was made and carried that each member of this department plant a tree or shrub.

As this was the time for the annual election of officers, all the officers for the past year were re-elected:

Mrs. G. W. Seate, President.  
Mrs. G. W. Brown, Vice Pres.  
Mrs. William Lamont, Sec.  
Mrs. H. R. Cromartie, Treas.

The following program was very much enjoyed:

"Absolution," a reading, by Miss Mary Lee Seate.  
An original paper, "What the Woman's Club Means to Our Town," by Mrs. William McFadyen.

Two piano numbers, Transaera, by Schumann and Humoresque, by Debora, were given by Mrs. Clyde Upchurch.

After the program delicious refreshment were served. These consisted of iced tea, with fruit salad, sandwiches, saltines and tiny cheese apples. Misses Elizabeth Cromartie and Ina Wilson assisted Mrs. Whitley in serving.

After a pleasant social hour the club adjourned to meet in May.

## Mrs. Walker Entertains.

Mrs. J. W. Walker was hostess to the bridge club Tuesday evening, April 24.

The home was attractive with its vases and bowls of variegated spring flowers.

The prize, a dainty boudoir pillow, for high score fell to Mrs. Paul Dickson.

The hostess served home-made ice cream, cake, salted nuts and candy.

## Mr. J. A. Peterson Dies Suddenly.

Mr. John A. Peterson, who lived some four miles south of town, died suddenly Saturday night. He had been complaining of not being altogether well for several weeks, but Saturday he was up and going all day, but in the evening was taken sick and lived but a short time. He was about 46 years old.

His remains were interred at Antioch Sunday afternoon, his pastor, Rev. G. W. Hanna, conducting the burial service. Mr. Peterson was a good, quite man and honorable citizen. We were very sorry to hear of his death. He was never married; he leaves one brother, Mr. Archie Peterson, and one sister, Mrs. Bright Hair.

## Baker-Teal.

Mr. Roy Brker and Miss Mabel Teal, well known young people of Raeford, went to Bennettsville last Thursday night and were married. We wish them much joy.

On the return trip to Raeford, they collided with a freight train at McColl, S. C., and their Chrysler roadster was smashed up, and both Mr. and Mrs. Baker were pretty badly bruised and cut up. They are recovering nicely, however. They will make their home in Raeford.

Chief Conner who was along was quite badly injured also.

## Scotland County News.

Lying down to rest Sunday night "in the full strength of years," Mr. Julius C. Morgan, for more than half a century a leading citizen of Laurinburg, passed peacefully away while he slept, with all evidence of struggle absent when his body was found on Monday morning in an attitude of rest with the bed coverlets neatly drawn about him, one hand upon his bosom and the other lying at full length by his side. Those who knew him best say that he had expressed the preference of death in such a manner, and early on Sunday night, probably soon after he retired, the summons came and he slept with his fathers.

Alexander Vance Wallace, for more than forty years a leading farmer and citizen of Scotland county, died Saturday, April 21, at 3:30 p. m. at his home at the McBride place on the old Maxton-Lumberton road.

Mr. John C. Clark, for 27 years, died at his home in the city Friday, April 20, after a period of declining health that extended over many months.—Laurinburg Exchange.

## Watch Suspicious Symptoms in Springtime.

Sanatorium, April.—These lovely, warm spring days, do you tire so easily that it takes all of the pleasure out of the returning spring season? Are you losing weight, not much, but just a little under par? Bothered with indigestion, so much so that you don't enjoy spring vegetables? Did you have a cold last winter, or early this spring, and has the cough hung on? If you have any or all of these symptoms you may have tuberculosis.

Don't dismiss that tired feeling, that slight loss of weight, the indigestion, the cough too easily. Early tuberculosis often begins with either one or all of these symptoms. Delay in tuberculosis means advanced disease and ultimate death. For even with modern methods for the "cure" of the disease, advanced tuberculosis is not curable. Early tuberculosis is one of the most easily cured of all the major diseases mankind is heir to.

If you're easily tired, losing weight, have indigestion, a cough that hangs on, don't hesitate, go to a good physician at once. When you have gone to him insist upon a thorough physical examination, including your chest. If the doctor tells you that you have tuberculosis obey whatever instructions for the cure of your disease that he gives you. In that way you will cheat the tuberculosis death rate of one more victim, and save your own life.

## Local News Items.

The County Commissioners meet next Monday, the 7th.

Members of the Board of Commissioners were business visitors to Raeford Monday.

Small pox cases look pretty good. There has been no killing of cows, so spring fairs are being held there as usual.

You are invited to attend the services in the Presbyterian church and hear the special sermons by Rev. A. J. Brown of Dunn. He is a special preacher.

Little son of Mrs. Christian Davis, had his tonsils removed by a specialist in the city last week. His doctor says we are glad to report that he is now well.

Mr. D. S. Pearson of Blue Springs moved into this office Monday. He was met while here by the Irish people, who were having on Saturday, April 28th.

We had nearly all the hard luck possible, you might think last week. We made a useless trip to Laurinburg, had to make two to Red Springs, had the paper disjointed and broke our news press, ding it all.

Mr. and Mrs. A. M. McBryde of Dundarrach were in town Saturday, and Mrs. McBryde told us she had her first new crop English peas from her garden Friday. Mrs. D. S. Poole had her first for dinner Sunday.

We hear but little about clean up week, and saw no more. People do not take the interest and pride they should in such things if everybody were to clean up and keep clean, it would be nice, and just cause for pride.

Baxter Steele, colored, a middle aged man, a native of Hoke county, died in Stubensville, Ohio, last Thursday, and his remains shipped to Raeford for burial. The funeral was conducted at Silver Grove church Sunday afternoon. He was a son of Allen Steele of Raeford.

Mr. N. H. G. Balfour has been elected superintendent of the Presbyterian Sunday School to succeed Mr. L. L. Shaw who resigned. It was with much regret that Mr. Shaw's resignation was accepted but we feel that Mr. Balfour will fill the office as well in the future as Mr. Shaw has in the past.—Red Springs Citizen.

Mr. and Mrs. Hallie M. Johnson moved Tuesday to Raeford where they will make their home in the future. Both Mr. and Mrs. Johnson have many friends here who regret to lose them as citizens of the town their stay in Raeford will only be temporary, eventually coming back here to live.—St. Pauls Review.

## For Recorder.

This announces my candidacy for re-election as Recorder. If you want a lawyer with years of experience at the same price you will have to pay for a Judge who knows nothing about the law. I am at your command, and agree to abide by the Democratic primary next June. If your heart is still warm with memories of the boys who served in the World War, remember me. Less than 10 years ago I did my share in a foreign land for those back home. I am merely asking for another chance to remain in the service in a civilian capacity where the battle for right, and decency, and law still must be carried on.

Sincerely,
