Angus says he was afraid Archie would be hurt fooling with a bicycle, trying to do stunts like that fellow who gave exhibitions of bicycle riding on the streets of Raeford one day last week, and sure enough he was.

Everybody but Smith advocates have gone in their holes, not saying a word. All but Smith men in the Democratic party know not whom they want. All they seem to know is that they do not want Smith. Had not McAdoo withdrawn from the fight, this situation might not have arisen. As it is, nobody can figure results, but we fear the worst—a divided Democratic party, and it could never be too strong to suit us.

**Presbyterian Church News!**

Children's Day exercises for Foreign Missions will be observed in the Presbyterian church Sunday morning at 11 o'clock, at which time parents having children to be baptized are requested to present them for baptism.

The young people from 12 years through 25 years of the Raeford Presbyterian church will put on a Mothers' Day program Sunday morning, May 13, at 9:45 in the main auditorium of the church. Those attending this service are requested to make special effort to bring their mothers and to sit with them, wearing a suitable flower for the occasion of Mothers Day.

The attendance of the Young Peoples' Department increased from 100 to 150 during the month of April. Come and help to make 100 during May. Reds and Blues get busy. Star classes last Sunday were: Miss Eula Blue's, Mrs. Brandon's, Miss Mag McDiarmid's, Mrs. Pelham Covington's.

**Mrs. Ruth Gordon.**

Mrs. Ruth Hairston Gordon, mother of Mrs. J. W. Currie, died Tuesday morning, May 1, as announced in last week's Journal.

Mrs. Gordon leaves two daughters: Mrs. J. W. Currie and Miss Florence Gordon, both of Raeford. She was a grand daughter of Colonel Letch, a noted patriot of the Revolution, also a cousin of Generals J. B. Gordon and J. E. B. Stuart of Confederate fame.

She was an helpless invalid for many months before death came to her relief, still in all her afflictions she exhibited rare fortitude and patience. She was a typical Southern woman, of a type grown altogether too rare in our day.

**Everett McNeill is Dead.**

Mr. Everett McNeill, a good and useful citizen of Antioch township, died last Thursday May 3rd, and his remains were interred at Antioch Friday afternoon, his pastor, Rev. G. W. Hanna, conducting the funeral services.

Mr. McNeill was only 35 years of age, a man in the prime of life and usefulness, and he leaves a wife and five small children from two to ten years of age.

He had a cancer in his cheek, and all that modern medical skill could do brought no relief. We truly sympathize with his family and other relatives. He has three brothers, Messrs. W. J. McNeill of Raeford and Dixon, M. Neill of Shannon, and Rev. Daniel A. McNeill of New Orleans, La

**Before you select your next car see what General Motors offers**

GENERAL MOTORS was organized on the principle that a group of strong companies, working together as a family, could serve the public better than they could separately.

The public has approved this principle. In 1924 one out of every six cars chosen by the public was a General Motors car. In 1925 the proportion was one in five. In 1926 it was one in four. And last year it was one in three.

The improvement in General Motors products is continuous. Great Research Laboratories are constantly seeking new paths for betterment. A 1245-acre Proving Ground tests all that science has discovered and proves each new design before it is offered to you. Each year there has been a steady advance in the quality, performance and beauty of General Motors cars, with no increase in price.

**7 famous cars-86 models \$495. to \$5500. (FOB Factories) and the low-cost GMAC Purchase Plan**

The General Motors cars are listed on the coupon below. They include a car for every purse and purpose—passenger cars and trucks—models of every kind—fours and sixes and eights. You may select any model with full assurance that by every test it offers the largest value per dollar in its price class.

The passenger cars include 86 models, ranging in price-at-the-factory from \$495 to \$5500. All closed bodies are by Fisher. All cars have four-wheel brakes. All have quality where quality counts most in long life and high resale value. All are backed by service organizations which are permanent.

**CLIP THE COUPON**

It will pay you to see what General Motors offers before you select your next car. Compare General Motors quality and value in each price class. Remember that you are assured of service, because General Motors dealers are everywhere.

By using the coupon below, you can bring into your home immediately full, illustrated information about any or all of the products made by General Motors. With this new book called "Principles & Policies" you will find it unusual reading, for it takes you behind the scenes and shows just what General Motors is and what it is doing to continue to merit public goodwill.
