

# RAEFORD SCHOOL NEWS

## Friday Club Meeting.

The club held its first meeting on Friday, Oct. 12, 1928. The meeting was called to order by the President. The business was attended to. Then eight of the club members debated on the subject which follows:

Resolved that high school pupils should be allowed to do as they please during off periods provided they conduct themselves properly and maintain a high standard of scholarship. The negative side won. J. H. Austin was best speaker and Katie Black of the affirmative won honorable mention.

## Raeferd Wins From Candor.

In a one sided game, Raeferd easily defeated the heavy Candor highs Tuesday 58 to 0. The visitors were completely outclassed in all stages of the game, but fought gamely throughout. The entire Raeferd team played well, but much credit is due McNeill, Rogers and Aiken for their brilliant work.

## High School to Have Two Rival Clubs.

The high school pupils have been divided into two rival clubs, which will meet once a week for purposes of debating and rendering other programs. A series of contests of various kinds will make the work for the year very interesting. Points will be scored to the credit of the winning club and at the close of the year the losing club will entertain the winner. The organization was as follows:

Thursday Club: President, Watson Bethune; Vice President, T. B. Lester; Secretary, Gaston McBryde; Treasurer, George Bethune; Critic, Neill McFadyen; Reporter, Margaret Walters; Faculty Directors, Miss Sturgis and Miss Hoyle.

Friday Club: President, John Duncan McNeill, Secretary, Howard Rogers; Critic, Robert McDonald; Reporter, Ina Wilson.

Committees have been appointed to select suitable names for these clubs. Some of the activities and contests which will be carried on this year are: Inter Club Debate, Assembly Programs, Oratorical and Recitation contests, two club Plays, Boys' Tennis and Girls' Tennis Contests, Inter-Club Boys' Basketball Game, and Girls' Basketball Game, Inter-Club Track Meet for Boys and Girls.

## Grammar Grade Reading Circle.

In order to stimulate interest in reading in the grammar grades a Reading Circle has been organized with awards to be as follows:

1. When a pupil has read and reported on six books, he or she is awarded a Membership Certificate. For the next six books read the pupil is given a blue seal to go on this certificate, for the next six a red seal, and for the next six a gold seal. 24 books read complete the first course.

2. For those who have completed the first course a second course is offered. The rules are the same except that twelve books are required for the Attainment Certificate and twelve for each of the three seals.

3. Diploma. A Reading Circle Diploma is given to each pupil upon completion of the reading circle work outlined above.

It is not expected that pupils will finish both courses in one year. Therefore, a record is kept so that the reading credit will be carried over from one year to the next.

## Raeferd Defeats Laurinburg.

In a thrilling game of foot ball played on the local grounds last Friday afternoon Raeferd highs defeated Laurinburg highs 32 to 6. All Raeferd's team played a good game, but McNeill and Rogers went great guns.

## Organization of the Senior Class.

The senior class met in business session for several successive chapel periods and completed its organization as follows:

John Duncan McNeill, President; Robert McDonald, Vice President; Susan Gullledge, Secretary and Treasurer. Wm. L. Poole, Jr., and little Edith Pell were chosen for mascots. The rose was chosen to match the class colors of pink and green. The class of '29 is one of the largest classes ever to graduate from Raeferd school and we hope to have a most successful year.

## Tennis Club Organized.

A Tennis club has been organized in Raeferd high school for the benefit of those who wish to play tennis and for those who do not take some part in athletics. This will give recreation during and after school for all students who wish to participate. Two courts are to be built on the south side of the building, one for boys and one for girls. The following officers were elected:

T. B. Lester, President; Hallie Freeman, Secretary and Treas.

## Fire Prevention Week.

Last week a proclamation was issued by Gov. A. W. McLean setting aside that week for special effort toward fire prevention. North Carolina ranks high among the states in low loss from fires. North Carolina's per capita average was \$1.91 loss from fire during the past year while the nation as a whole was \$4.94. North Carolina's record is good but an enlightened population such as ours can make it better. The school is doing its part toward fire prevention and lessening loss of lives.

There are fire drills in the school and the students are directed as to discipline and as to marching order. If everyone did his or her part in preventing fires there would be a much smaller number of disastrous fires although some are unavoidable.

## High School Stunt Night.

Coming in the near future is an event which we would all like to see an enjoy. Stunt night will be put on by the high school rooms and by the upper grades. Parents will want to see the children as comedians. Be sure to watch for the announcement which will mean barrels of fun for you.

## The Student Council.

A student council has been chosen from the high school, the purpose of which is to aid Mr. Pell and the faculty. The future activities in the high school will come under the supervision of this council. The members of the council are as follows:

Conrad Barnard, President; John Duncan McNeill, Vice Pres. and Pres. of the senior class; Mary Neal McNair, Secretary; J. H. Austin, Representative of Eighth Grade; Mildred McDuffie, Representative of Ninth Grade; Thelma McKeithan, Representative of Tenth A; Pat Johnson, Representative of Tenth B; Louise Gibson, Representative of Eleventh Grade; Eighth Grade President, Sarah Brown Campbell; Ninth Grade President, Christiana McFadyen; Tenth Grade President, Howard Rogers.

## Seventh Grade News.

The Seventh Grade has organized a Home Room club with the following officers:

President, Eleanor Brown, Vice President, Jack McDuffie; Secretary, Hudson Graham; Treasurer, D. B. McFadyen and Cheer Leader, Elizabeth McBryde. We have a meeting every Friday.

We are interested in Physical Education this year. Many of us expect to receive athletic badges. We have a boys' football team and plan to have a basket ball team.

## W. J. Bounds Succumbs.

Mr. W. J. Bounds of Allendale township died Monday evening after a long illness, throughout which he exhibited great patience although his suffering was excruciating at times.

It was the writer's good fortune to have known Mr. Bounds through a long period of years and we testify to his kindness of heart, his nobility of soul, his honesty and integrity. He was a good man, and has gone to his reward.

## Holds Their First Meeting.

The society held their first meeting Thursday with a delightful program as follows:

Song, Hustle and Grin. Devotional, George Weaver. Short Story, Hallie Freeman. Special Music, Lula Hall, Thelma McKeithan, Ina Wilson, Anna Rogers, Elizabeth Cromartie and Mary Neal McNair. Recitation, Elizabeth Gibson. Reading, Murdoch McDuffie. Ina Wilson was elected Vice President. Other business. Adjournment.
