

CAMEL CIGARETTES

WHY CAMELS ARE THE BETTER CIGARETTE

The world's largest group of tobacco experts... one brand... one quality... one size package... everything concentrated on Camel goodness. The smoothness and mildness of Camels are possible only through the use of choicest tobaccos. The most skilful blending gives Camels an individuality of taste that is beyond imitation. They have a mellowness that you have never known in any other cigarette, regardless of price. Camels never tire your taste or leave an unpleasant after-taste.

Middle Life Troubles

"About twenty years ago, my health was very bad," says Mrs. Mabel Howard, of Terrell, Texas. "I was passing through a critical time in my life, and I suffered a great deal. I was not at all strong, and my nerves got all upset. I had hot flashes, and sometimes would get suddenly so faint I could not stand up. My head would whirl, and I could not see a thing. I would have to lie down for hours at a time. I improved so much when I had taken Cardui for a while. I continued the medicine for several months, until I had passed the critical period. Since then, I have given Cardui to my five daughters. All of them have continued the use of Cardui in their homes. We have all been better for having taken it."
