

Sargon Ends Ten Years Suffering

"Sargon and Sargon Soft Mass Pills are the most wonderful medicines I ever used. I say this because they have brought back my health after I had been trying for ten years to find something that

MRS. ALEXANDER MALCOTT

would relieve me of my suffering. My principal trouble was with my liver, for my complexion was always sallow and I often said my color was as yellow as gold. I believe my entire system was filled with poison, resulting from chronic constipation and liver trouble. I became dreadfully nervous. I did not sleep well and was losing my strength and energy rapidly.

"I always had to be careful about my diet, but I would suffer with indigestion just the same. Gas would form and extend up around my heart and cause severe palpitation. I also had severe pains in my abdomen. Pains in my chest and shoulder also bothered me a great deal, and I was in a badly run down and weakened condition.

"After taking two bottles of Sargon and one bottle of Sargon Soft Mass Pills I noticed a remarkable improvement in my condition. My appetite is splendid. I can now digest and assimilate food I hadn't dared touch before in months. I no longer suffer from indigestion but the greatest blessing of all has been the relief from constipation from which I suffered for so many years. My complexion is now clear and healthy. I have gained weight and feel greatly strengthened in every way.

"The Sargon Soft Mass Pills are wonderful. They are so gentle and yet so thorough and cause no bad after effects whatever."

The above statement was made by Mrs. Alexander Malcott, 1136 West 6th Street, Oklahoma City.

Fall Sentenced To Year In Jail; Big Fine

Former Secretary of Interior Denies Guilt in Lengthy Statement.

Washington, November 1.—Albert B. Fall was sentenced to a year in jail and fined \$100,000 today for accepting a bribe of \$100,000 as secretary of the interior for awarding a lease to the Elk Hills Naval Oil reserve to his California friend, Edward L. Doheny.

The sentence was tempered with mercy as had been recommended by the jury. Justice William Hitz permitted Fall his freedom on \$5,000 bond pending appeal, and announced that if the jail sentence were to be carried out at this time he would have suspended it because of Fall's ill health.

Guilt is Denied

A short while later at his hotel, the 68-year-old invalid issued his first public statement concerning his part in the oil lease. He asked the American people not to "believe me guilty of the damnable crime of which I am innocent."

The lengthy statement said he was "moved to break his long silence," by a deep desire to vindicate the faith of those who have loved, honored or trusted me."

ADVERTISE OR BE FORGOTTEN

Just before the youngsters in the Frogville School arrived one morning there were a lot of squeaks and squawks as Frogs busily worked about a huge box fixing wires.

"Is everything ready?" asked Miss Fannie Frog.

"All is ready. Shall we turn her on?" asked one of the Frog workmen.

"Let's hear," said Miss Frog, as the worker turned on the radio.

Sweet music came over the wires as they all listened. In a few moments Miss Frog bade them cover the radio and disappear, for in a little while the scholars would be assembling and she wanted the radio to be a big surprise.

Soon the Frogs came filing in and Freddie nudged Fritz as he asked: "What on earth is that thing hidden under that cloth?"

"Search me," replied Fritz. "Maybe it's the Board of Education."

"Don't be silly," snapped Freddie, as they took their seats.

Miss Frog arose when all had become quiet and said: "I have a pleasant surprise for you this morning, my dear pupils. The Board of Education has given us a radio and we are to have our exercises every morning begin with sweet music. Perhaps we will be able to do our physical culture exercises to music, too. I will now turn the radio on."

Over the wire came the story: "The man went into the woods with his dog."

There was a hustling in the school room as the Frogs, all darted outside and under logs, while Miss Frog stayed on the platform and laughed and laughed.

Bye and bye the Frogs all came back into the room. "You must not mind hearing about a dog when it's on the radio," said Miss Frog.

"Tell them to keep the dogs off the radio," laughed Freddie Frog.
