She honored two very popular recent brides of Raeford, Mrs. Lewis Upchurch and Mrs. Arthur Matheson, Jr., and Mrs. L. B. Brandon, who has recently left Raeford to make her home in Laurinburg. SPRING HILL (WAGRAM) P.T.A. PLANS UNIQUE PROGRAM

Instead of their regular Child Training program the P. T. A. of Spring Hill High School (Wagram) plans a very unusual program for their October 10th meeting. The program, like Gaul in Julius Caesar, is divided into three parts, namely, Endurance Test, String Music and Debate. The public is cordially invited to take part in the first two. All fathers of children under two years of age wishing to enter the endurance contest will be eligible. The contestant's names will not be disclosed if requested and they may wear their Halloween costume to hide their identity. A prize will be offered to the father who rocks his baby to sleep first, also to the father using the most unique device for bringing the Sand Man. Following the contest there will be a debate on the popular query: "Resolved that Wedded Bliss is More Desirable than Single Blessedness." The affirmative will be upheld by single persons, the negative by married ones. A large crowd is expected. The Admission is 10 cents and for the benefit of the health department of P. T. A.

ADVANCE SHOWN IN PRES. BYTERIAN SUNDAY SCHOOL

The work of the Rally Day committees and individual workers in the campaign for four hundred members at the Presbyterian Sunday School began to bear fruit on last Sunday when a perceptible increase in attendance was noted. It is significant of the work being done that almost the entire gain was recorded in the adult department. Evidently the members of this department are working hard to put over the plan that has been outlined and enthusiastically subscribed to by the members of the school. The church hereby urges all church members who have let their enthusiasm lag to consider seriously the benefits of Bible study, both for mental as well as spiritual benefit. The added encouragement of your presence will greatly stimulate the teachers and pupils already attending and enable them to teach and study more successfully. To those who are not church members the Sunday school offers opportunity for study of the Book which each year sells many more copies than the most popular seller, a book that contains fascinating biography, the history of the world, the world's most wonderful stories, in addition to the laws upon which all law is founded and God's own plan for man's salvation. No person should do themselves the injustice of neglecting this book. PRESBYTERIAN SUNDAY SCHOOL.

COUNTY WARDEN ALMOST VIOLATES GAME LAW

County Warden H. N. McLean came near violating the game laws Wednesday, he thought, but lucked by with it. He and Mr. John Scull were hunting deer and Mr. McLean killed a young buck whose horns were not much in evidence and he at first feared that he had killed a doe—which is illegal but later examination revealed two little nubs of horns—much to the relief of Mr. McLean. Deer seem to be plentiful this season, this making three bagged near Raeford on the first day of the season.

STATE BOARD OF HEALTH WARNS PEOPLE ON DIPHTHERIA

Now is the best time in the year to give toxin-anti-toxin to all children under six years of age. Three doses of toxin-anti-toxin, when a fresh laboratory product is used, given to a child at intervals of one week apart is known to be an effective preventive against diphtheria in between eighty and eighty-five per cent of all susceptible children.
