**RAEFORD SCHOOL**  
A Surprise.  
On a cold and wintry day,

No one was stirring at all. For it soon looked as if we'd soon have a snow fall. When all of a sudden, out came the sun, and chased away the clouds, so we might have some fun.  
—Jimmy Greene, Fourth Grade.

**Pilgrims.**  
Long, long ago there lived in England some Pilgrims. They had a very bad king. He wanted them to worship God like he did. He wanted them to go to the same church he did. He did not want them to read the Bible. So the Pilgrims went to Holland. They stayed seven years. Their children began to talk like the Dutch children did, so they left Holland and came to America. Two ships broke down. The Mayflower carried as many as it could. When it landed it was very cold. They did not have very much food. But the next year they had more. The preacher said let's go to church and come back and have a day of Thanksgiving. So they set aside a day. They went to church and came back and had a day of Thanksgiving. That was our first Thanksgiving.  
—Mary Ellen Thomas, 3rd grade.

**Fourth Grade.**  
We call our grade the Wide-Awake-Health-Club of Wake-Up Town. The officers of our Club are: President, Ben Campbell. He conducts our health class and inspects our desks. If they are not clean, we are blacklisted. Nurse, Agnes Mae Johnson, and Doctor, Charles Seate. They examine our finger nails, hands, teeth, and hair. Temperature Manager, William Hawfield. He watches the thermometer and takes charge of the windows. In our club we are making health posters, showing the foods that help us to be healthy, and have good teeth.  
Not many of us are having to sit on Drowsy-Town-Row any more, because we are working hard for every star that Miss Heafner offers us.  
—Mary Shaw McDiarmid.

**Seventh Grade.**  
The members of the seventh grade met this week and organized a Home Room Club.  
The following officers were elected: President, Billie McInnis; vice-president, Herman Campbell; secretary and treasurer, Mary Potter. After the election the president appointed Irma Jordan, Reva Epstein and Tom McBryde to write a constitution for the club. Blanche

Hogers, Dean Matheson and Sam Morris were appointed on the program committee.

**BERT BYRD, HIGHLY RESPECTED COLORED MAN, DEAD**

Bert Byrd, a highly respected colored man who lived on the Upchurch farm near Raeford, died on Thursday morning of last week of pneumonia. His remains were carried to Granville county on Saturday and were buried near Creedmoor, Byrd having come here several years ago from that section. He was forty-nine years of age and stood in the highest esteem by a large circle of both white and colored friends. He was one of the early tobacco growers to come from the Piedmont section to raise tobacco in this county and he was very successful at his work.

First Urchin: "How did yer old man break out, his front teeth?"  
Second Urchin: "Aw, he was riding in a truck and tried to drink out of a bottle."

**An Unpleasant Subject.**  
All of the functions of life are not pleasant to consider. Perhaps this is why some mothers refuse to think that such symptoms as restless sleep, loss of flesh, lack of appetite or itching nose and fingers in their children, can be caused by round or pin worms. Many mothers have proven, however, that a few doses of White's Cream Vermifuge, that sure and harmless worm expellant, will make these symptoms disappear. You can get White's Cream Vermifuge for 35 cents per bottle from—  
RAEFORD DRUG COMPANY.
