BEAUTIFUL TEA IN MRS. A. A. McFADYEN'S HONOR

Mrs. W. C. Brown and Mrs. William Lamont gave a very beautiful tea last Friday afternoon in honor of Mrs. A. A. McFadyen, who has recently returned to America from China.

The house, tastefully arranged with potted plants, cut flowers, lighted candles and cherry, open fires, was quite a contrast to the dreary weather outside.

Mrs. Clarence Lytch and Mrs. P. P. McCain greeted the callers and Mrs. John Walker introduced them to the receiving line. In this line were Mrs. Lamont, Mrs. Brown, Mrs. A. A. McFadyen, Mrs. William McFadyen, Mrs. J. W. McLaughlin, and Dr. A. A. McFadyen. Mrs. J. S. Poole showed the way from the living room to dining room where they were received by Mrs. John McNeill, Misses Sara Lytch and Jennie Clark.

A color scheme of green and yellow was used in the dining room. The table was covered with a lace cloth. On each end were baskets filled with white chrysanthemums, white snapdragons, swansonian and fern, and in the center of the table was a crystal candelabrum with green and yellow tapers. Ices, cakes and mints were in the same color motif. Mrs. Paul Dickson, Mrs. W. T. Covington and Mrs. Kenneth MacDonald cut cream during the calling hours. Cream, individual blocks of cake, nuts and mints were served by very attractive young girls, Misses Patsy Blue, Mollie Cameron, Josephine Hall, Elsie Upchurch and Katherine Ann Walker. Mrs. Lawrence Poole and Mrs. Herbert McKeithan stood at hall entrance to the dining room. On entering the rear hall guests were greeted by Mrs. G. B. Rowland and Mrs. R. L. Murray, who directed to the register over which Miss Mattie McLaughlin presided. Over a hundred called to greet and welcome Dr. and Mrs. McFadyen on their safe arrival back home. They have lived in Soochu, China, where Dr. McFadyen worked at the head of his hospital as long as he was allowed to stay.

Watson Home In Allendale Burns

The large country home of the Watson brothers, G. F. and N. P., in Allendale township, near the Lumber River was burned to the ground Sunday morning about two o'clock.

Archie Watson, oldest son of G. F. Watson, was aroused by the strong smell of smoke. He awoke the others and found that the kitchen was a blazing furnace. With nothing but buckets they tried to put it out and by so doing lost almost all the furniture and everything else in the house.

Antiques that had come from Scotland and a fine old chest containing valuable papers that had been in the family for years were burned. This chest was very much treasured as it and the papers had been hidden during the War Between the States.

The Watsons built this home in 1891 and had lived in it ever since. It was built about 100 yards from the Grandmother Fairley home which was then torn down.

Recently many improvements had been made on the place but not a cent of insurance was carried on it or ever had been, so the loss is total and amounts to about \$5,000. There are six children and four grown people in the family and they are staying around with the neighbors who have been generous and kind. They hope to build again just as soon as the way is clear.

The sympathy of the county goes out to these people in this loss and help is always near in cases like this.

Mrs. John Davis is critically ill with pneumonia.

Mrs. Isabelle Campbell Bostick, of Laurinburg, was stricken with appendicitis and underwent an operation Sunday night.
