A TAR HEEL IN NEW YORK
By **BOB COVINGTON**

I have often wondered just how many groups, organizations and societies of southern people there are in New York City. I'm always hearing of a new one and I honestly believe that a southerner in New York could pretty much spend his life going to the parties, dances and dinners that these southern societies sponsor.

Some idea of their number can be had from the list of sponsors of the Robert E. Lee Birthday celebration held last week in the Grand Ballroom of the Hotel Pierre—a celebration at which Hon. R. Gray Williams, Rector of the University of Virginia was the guest speaker. Here are some of the New York southern organizations that sponsored the celebration:
New York Southern Society.
Combined Confederate Veterans Camp and Sons of Confederate Veterans Camp of New York City.
Eastern Division, Sons of Confederate Veterans.

New York Division, United Daughters of the Confederacy.
New York Chapter U. D. C.
Mary Mildred Sullivan Chapter U. D. C.
James Henry Parker Chapter U. D. C.
Leonora St. George Rogers Schuyler Chapter U. D. C.
Raphael Semmes Chapter U. D. C.
Robert E. Lee Chapter of the Oranges (N. J.) U. D. C.
William-Alexander, Jr., Chapter U. D. C.

Alabamians in New York.
Dixie Club of New York.
Daughters of Maryland in New York.
Florida Society in the East.
Georgia Society of the City of New York.
Georgia Women in New York.
Jackson Heights (a suburb) Southern Society.
Louisiana Men in New York.
Louisiana Society of New York.
Maryland Society of New York.
New York Society of Tennessee Women.
North Carolina Society.
Robert E. Lee Memorial Foundation.
Society of Kentucky Women of New York.

The Virginians.
Westchester (suburb) Southern Society.
Washington and Lee Alumni Association of New York.
This, of course, includes only one southern college alumni association, of which there are many in the city, some very active. There are doubtless many other social organizations of southern people which are not in this list of sponsors. I know of several, one especially interesting one, sponsored by one man who simply gives one or two dances a year and invites all the young southern people he knows or can learn about.

Although the activity of these societies individually is small, the total accounts for many a reunion and many a rendition of "Dixie" within the course of a year.

CAPTIVATING CLIMAX to her ensemble is this dashing hat worn by Lucille Ball, RKO Radio star now teaming with George Murphy in "A Girl, a Guy and a Gob." Far-reaching pheasant quills pierce its shallow crown of very dark brown, while the sweeping brim is faced with the tweed of Lucille's fitted coat of browns and turquoise.

Cotton Stamp Program Extended To Producers

Almost universal approval has been accorded the supplemental cotton program, whereby the grower will receive cotton stamps in exchange for a voluntary reduction in his cotton acreage, reports E. Y. Floyd, AAA executive officer of N. C. State College. The stamps will be redeemable at retail stores for finished cotton goods.

"In effect," Floyd said, "the supplemental cotton program is an extension of the principle of the Cotton Stamp Plan of the Surplus Marketing Administration which is now operating for low-income families in areas throughout the United States. Under the new program, more cotton-goods buying power is extended to cotton farmers whose wardrobes and linen closets, paradoxically enough, contain far too few articles made from cotton."

The program works this way, the AAA leader explained: For planting less than the acreage allotment in 1941, or the measured acreage in 1940, whichever is less, stamps will be issued to the growers at the rate of 10 cents a pound times the normal yield of the underplanted acreage in 1941.

However, the stamps will not be issued in amounts in excess of \$25 per family in the case of sharecroppers, tenants, and owner-operators. Owners of more than one farm, or a farm operated by more than one tenant, may qualify for a maximum of \$50 worth of stamps.

"This program," Floyd declared, "offers an additional opportunity to improve the living standards of cotton farmers, to further reduce the acreage of cotton this year, and to provide more cotton goods for the people who produce cotton. Farmers will be encouraged by the farm agents of the Extension Service to produce more vegetables, fruits, dairy and poultry products, and meats on the acreages retired from cotton."

I'LL TUNE OUT THE ALKA-SELTZER ANNOUNCEMENT
Don't—THAT'S THE MOST IMPORTANT THING YOU'LL HEAR TONIGHT
"When statements about Alka-Seltzer are made over the air, please, please believe them."
Mrs. Oma Catherine Jones
MILLIONS suffer less from Headache, Acid Indigestion, Distress of Colds "Morning After" and Muscular Fatigue because they have heard—and believed—Alka-Seltzer radio announcements. To these millions, the relief obtained by the use of Alka-Seltzer is worth far more than the genuine enjoyment they get from the broadcasts.
The most important parts of our radio program, both to you and to us, are the commercial announcements. Once you have tried Alka-Seltzer we believe you will agree with us.
But try Alka-Seltzer because it is an unusually effective medicine not because you enjoy the radio programs.
WHY ALKA-SELTZER IS SO EFFECTIVE
The pain-relieving analgesic in Alka-Seltzer is in complete solution, ready to ease the distress as soon as you swallow it. The painrelieving action is made more effective by alkaline buffers. The alkalinizing elements in Alka-Seltzer reduce excess stomach acidity.
Get Alka-Seltzer the next time you pass a drug store.
