**Statement By Senator Bailey**

The question now is whether this government is strong enough to see to it that agitators, communists and German agents shall not obstruct the necessary program of production. I believe that it is. We cannot delay in such a matter. If the President needs further legislation, all he has to do is to ask for it. Order must be maintained. We need now the work of every worker, and the right of any worker to work must be protected, and that without paying for the privilege. If there are grievances, let them be referred to government arbitration, but in the meantime the work must go on. In all controversies between workers and employers, the Government must now be umpire; its decisions must be prompt and effective. I am confidently expecting adequate action by the President upon his return from a vacation which he needed. I am for whatever measures may be necessary to eliminate all possibility of strikes or sit-downs against the security of the people of the United States; and I am for prompt action. Delay is not only dangerous, it amounts to defeat of all our plans.

Say "I saw it in The News-Journal."

**State College Answers Timely Farm Questions**

Question—What garden crops should I plant to earn the \$3 payment under the new Cotton Program?

Answer—In order to qualify for payment under the Cotton Supplementary Program there must be growing or have been grown on the farm in 1941 at least three of the following crops: Two-tenths acre of Irish potatoes, sweet potatoes, peas or beans, and cane; one-tenth acre of root crops (other than sweet or Irish potatoes); one-tenth acre of cereals (other than corn); or three-tenths acre of peanuts. The payment also may be earned by growing at least one-tenth acre of the approved varieties of three or more of the following fruits: Strawberries, raspberries, dewberries, figs, bunch grapes, and Muscadine grapes. These crops must be grown for home use.

Question—Where can I buy a good dairy calf for my son in the 4-H club?

Answer—A Guernsey heifer consignment sale will be held at Salisbury on May 2, and a Jersey heifer consignment sale will be held at the Southeastern States Fair grounds in Charlotte on May 7. The annual consignment sale of the Carolina-Ayrshire Breeders association will be held at Pinehurst on April 23, and 18 bred and open heifers will be offered. County farm agents also know of sources of heifers suitable for 4-H club and vocational agriculture students.

Question—How should I treat my seed sweet potatoes before planting my seed bed?

Answer—Two practical and economical methods of seed treatment are: (1) Mercuric chloride, which is prepared by mixing one ounce of mercuric chloride with 8 gallons of water. Soak the potatoes in this solution for 16 minutes, allow them to dry in the shade and bed without washing. This treatment is most effective if the solution is warm, or around 100 degrees Fahrenheit. (2) Semesan Bel. Prepare a solution in the proportion of one pound of Semesan Bel to 7½ gallons of water. Dip the seed potatoes in this solution for one minute, drain and spread out to dry in the shade. The potatoes are ready to plant as soon as dry.

**Only One Car Necessary To Cause Accident**

"Yours may be the only car on the road and you still will stand a chance of being involved in a serious accident unless you drive at a safe speed," Ronald Hocutt, director of the Highway Safety Division, said this week.

Hocutt made this statement after studying the 1940 record with respect to single responsibility accidents on North Carolina streets and highways. Single responsibility accidents are accidents involving only one vehicle and one driver, as when a car overturns in the roadway, runs off the road, or strikes a fixed object.

"It doesn't take two cars to make an accident," he declared. "It only takes one car driven improperly. Last year, 988 persons were killed in traffic accidents in North Carolina, and 280 of these were killed in single responsibility accidents. Fifty-four were killed in cars that struck fixed objects, such as bridge abutments, telephone poles, etc., on the roadway or on the right-of-way. And 161 were killed in cars that got out of control and ran off the road. Sixty-eight were killed in cars that overturned in the roadway."

"A large majority of these accidents are a direct result of excessive speed," the safety director said. "Cars just don't turn over in the roadway or go sailing off into a ditch or field unless they are being driven so fast that their drivers are unable to control them."

"It is speed that is killing people every day on North Carolina highways, and until speeding is discouraged by unrelenting and impartial enforcement, we need not expect any reduction in single responsibility accidents, at least."

Mr. and Mrs. A. L. Palmer, of Raleigh, spent the weekend with Mr. and Mrs. Lee Bethune and Mrs. Starr McMillan.

**Desperate Child Derelicts of Paris**

How homeless, hungry children of Paris have drifted in the invasion's wake from the refugee highways into the underworld to become robbers, muggers and dope peddlers. Don't miss this remarkable illustrated article in the April 13th issue of

Misses Edith Moss, Elsie Strother and Madeline Sides, of Red Springs, spent the weekend in Albemarle.

Misses Zelma and Margaret Rorie, of Rockingham, spent Sunday with Mildred Crouch.

Mr. and Mrs. Russell Jones, of Montrose, spent Saturday night with Mrs. Jones' parents, Mr. and Mrs. J. B. Mays.

Mr. and Mrs. Grady Cole, of Gastonia, and Mr. and Mrs. James Thompson, of Mt. Gilead, spent the weekend with Mr. and Mrs. I. J. Cole.

The many friends from Ashley Heights of Mrs. E. L. Smoak, of Rural Hall, were sorry to hear of her death. Our greatest sympathy is with Mr. Smoak, their children and family.

Those from Ashley Heights attending the funeral Sunday afternoon at Rural Hall, of Mrs. E. L. Smoak were: Mr. and Mrs. L. R. Cothran, Miss Ruth Cothran, Mr. and Mrs. R. R. Cothran, Mr. and Mrs. O. Cothran, Misses Audrey and Juanita and Billy Cothran, Mr. and Mrs. G. C. Wilson, Miss Della Wilson, Mrs. W. H. Hare, and Mr. and Mrs. Roy Goodman.

Miss Leette Smoak is spending the spring holidays with her parents, Mr. and Mrs. R. A. Smoak.

The many friends of N. F. Sinclair are glad to see him out again.

Miss Mildred Womble, of W. C. U. N. C., is spending the holidays with Mr. and Mrs. J. B. Womble, of Ashley Heights.

**SPRING IS HERE**

Sing a song of millinery  
With the first thaw,  
Coronets and silhouettes,  
Wide-brimmed straw;  
Four and twenty blackbirds  
Perched on the brim,  
Stylized cut-outs  
Used for a trim.  
Pompadours and ballbunt  
Tempt a giddy breeze;  
Quaint coolie mushrooms,  
Motif—Chinese.  
Bonnets of the nineties,  
Tied with a bow;  
It's the hat that does it,  
That NOUVEAU CHAPEAU.  
—Olive Carelton-Munro

**Methodist Notes**

**PRE-EASTER SERVICES AT THE RAEFORD METHODIST CHURCH**

There will be Pre-Easter services at the Raeford Methodist church April 6-12 with a different speaker every night at 7:30 o'clock. The speakers are as follows:

Sunday, E. C. Crawford; Monday, Henry Ruark; Tuesday, H. K. Holland; Wednesday, J. E. Reamy; Thursday, Chaplain Leon Hall; Friday, H. K. King; and Saturday, T. R. Jenkins.

In the Sunday night service the quartet from High Point college will sing. Miss Mariana Kimbrough, Bible teacher in the Raeford school, will assist with some afternoon services for children.

Rev. W. V. McRae will preach at Parker's church Sunday at 11:00 A. M., and hold the Second Quarterly Meeting following the service.
