State College Answers Timely Farm Questions

Question—What are the requirements for having Irish potatoes certified?
Answer—The N. C. Crop Improvement Association restricts certification of Irish potatoes to elevations of 2,200 feet or more in order to give the seed potatoes a shorter growing season and thereby make them more desirable for lower altitudes with longer growing seasons. Growers whose farms have the desirable elevation and whose crop was planted with certified seed may make application now to the Crop Improvement Association at State College if they wish their potatoes certified.

Question—When should hay be cured?
Answer—Hay should be cured so as to preserve the leaves and the natural green color. Likewise, damage from dew, rain, and mold should be avoided. Hay should not be left long on the ground after cutting, but raked into small windrows when the leaves begin to wilt. This is usually after three to four hours of bright sunshine. Windrows of heavy crops should be turned over again with the rake later in the afternoon. The side delivery rake and the hay tedder are excellent implements for stirring and hastening the curing of heavy hay crops.

Question—Is there still time to sign up in the voluntary food and feed program being conducted this year?
Answer—N. C. State College Extension Service officials have announced that the voluntary program will be held open until June 15th for farm families wishing to sign up and do their part in the food-for-defense program. Cards have been mailed to each of North Carolina's 278,000 farm families which they may sign and return to their county agent. The campaign is in no way compulsory.

Burial Services Held For Negro School Leader

David Pinkerton Scurlock, principal of the Upchurch high school for Negroes for the past ten years and a leader of his race in this section, was buried Tuesday afternoon at the Silver Grove cemetery following services at the McLaughlin Chapel. Supt. K. A. MacDonald, of the Hoke county schools, President J. W. Seabrook of the State Teachers college, Fayetteville, and others made short addresses of tribute to the schoolman. Special programs of the services which extended over a three hour period listed the following as participating in the obsequies: Rev. W. E. Turner, pastor, in charge of the services, assisted by Revs. W. C. Jones and Joseph McLaughlin with Rev. W. T. Fairley of Red Springs, preaching the funeral sermon. Songs were sung by the choral club from the Upchurch school and the McLaughlin chapel choir and M. R. Smith. Probably the largest crowd ever attending a funeral for colored, attended this.

OUR DEMOCRACY — by Mat

THERE'S NOTHING MORE AMERICAN THAN ICE CREAM

BACK OF ICE CREAM IS THE STORY OF REFRIGERATION, IN WHICH THE U.S. LEADS THE WORLD—MORE THAN 79% OF OUR FAMILIES EQUIPPED. OF MECHANICAL REFRIGERATORS ALONE, ONE HERE FOR EVERY 7 PERSONS. IN CENTRAL EUROPE IT'S ABOUT ONE PER THOUSAND.

THE U.S. HAS THE ONLY SYSTEM OF REFRIGERATED RAILROAD CARS, TRUCKS, AND COMMERCIAL VENDING UNITS. FAST-GROWING, TOO, IS THE NUMBER OF REFRIGERATING LOCKERS, "FOOD BANKS" FOR FARMERS' OWN VEGETABLES AND MEATS.

SECOND SELECTIVE SERVICE REGISTRATION IS ORDERED

Around 1,000,000 Young Men Who Have Reached 21 Since October 16 or Will Reach That Age in Next Five Weeks Will Register July 1st.

Washington, May 26. — Approximately 1,000,000 young men who have become 21 years old since October 16 or will reach that age in the next five weeks were ordered by President Roosevelt today to register on July 1 for possible military training. The registration will be conducted by the selective service system's 6,500 boards throughout the country and the new men signed up in each area are expected to be put at the bottom of their local draft lists in an order of priority among themselves to be determined by a new national lottery.

Defines Group. In a proclamation fixing the registration date, the President said the action was "required in the interests of the national defense" and defined those who must register as all unregistered male citizens and aliens in the United States, Hawaii, Puerto Rico, and Alaska who have attained their 21st birthday on or before July 1st.

Some of those who have become 21 since the first group of 16,500,000 men was signed up on October 16 already have registered and volunteered for a year of training. A provision of the draft law allows voluntary service by men 18 to 21. The July 1 date was chosen; it was understood, in order that men registering then would have time to find out before fall whether or not they expect to be called for duty. This would permit them to plan ahead for their fall and winter work or educational schedules. The manner of integrating these new men with the first group of draftees in each local area has been under consideration here for several months. Two principal methods were studied; one called for sandwiching them among the original registrants by lottery; the other, for adding them to the end of the lists. Officials said today that the latter method probably would be used.

Hoke Board Will Turn Names To Federal Court

Registrants Fail To Notify Board of Change of Address Or Fail To Return Questionnaires.

Names of 28 registrants under the Selective Service Act who registered in Hoke county will be turned over to the district attorney of the Federal Court for investigation unless these men report to the board, it was stated by T. B. Lester, board chairman. Questionnaires have been mailed to these men, and they have either failed to return them to the office or they have been returned by the post-offices because of inability of the offices to deliver them.

Mr. Lester calls attention to the requirements of the selective service act which state that the questionnaires should be filled out properly and returned to the local board within five days; and also to that regulation which requires registrants to notify the local board in case of change of address. Apparently these 28 men have failed to meet these requirements.

Mr. Lester states that should relatives or friends of any of these men know of their whereabouts they should notify them to contact the Hoke County Board immediately in order that they may be saved the embarrassment of a Federal court investigation and possible sentence of a year in Federal prison. Those who either have not returned their questionnaires or whose blanks were returned to the local office because of improper address, are:
58—Willie Robert Dowdy.
80—Paul Willard Lamb.
110—Willie Ray.
117—Richard Shaw.
133—Franklin Davis.
152—Jasper Utley.
167—Lacy Smith.
180—Will Thomas.
179—Harold Wilbur Knox.
186—James Thompson.

HENDRICK - MONROE.

Purity Presbyterian church at Chester, S. C., made a beautiful setting for the wedding of Miss Mary Frank Monroe of Charlotte, N. C., and Woodrow Wilson Hendrick, of Kannapolis, N. C., which was solemnized on Saturday afternoon, May 17th, at 5 o'clock, with the minister, the Rev. John McSweeney, D. D., officiating, using the ring ceremony of the Presbyterian church. The young couple was accompanied to Chester by a number of relatives and close friends. The bride was attended by Miss Sarah Conoly of Raeford, who was maid of honor.

George H. Baucom, of Charlotte, was the best man.

Following the marriage Mr. and Mrs. Hendrick left on a bridal trip, after which they will be at home on 1746 Amherst Place, Charlotte.

Mrs. Hendrick is the daughter of Mr. and Mrs. Henry Monroe, of Raeford. She was reared in Raeford, where she graduated from Raeford high school. She has been a successful laboratory technician for the past several years, having studied for this work in Charlotte. She was connected with the infirmary of U. N. C. at Chapel Hill for quite a while.

Rev. and Mrs. H. K. Holland, and children, and Mrs. J. W. McLaughlin spent Monday and Tuesday in Montreat. Mrs. Holland stopped over in Charlotte and visited her mother.

NOTICE

Under and pursuant to Order of Court in a Special Proceeding entitled E. D. Wade et als. vs Evelyn Kennedy et als, authorizing the undersigned commissioners as such to sell the hereinafter-described land either privately or at public sale for cash to the highest bidder, which order is dated May 12th, 1941, we will offer said property for sale to the highest bidder for cash at the courthouse door in Raeford, North Carolina, at 12 o'clock noon, on the 12th day of June, 1941. We reserve the right to offer said property as a whole and then in one or more sub-divisions separately, or vice-versa. The lots are known as the residence premises of the late Mark Wade, deceased, and have boundaries as follows:

First tract: In Raeford, N. C., and beginning at a stake 50 feet west from A. D. Kelly's southwest corner of residence tract, and in north margin of Rockfish Avenue, and runs thence W. 200 feet along the edge of said Wade tract to a stake; thence N. 332 feet to a stake on the south side of a branch; thence East, crossing branch, 200 feet to a stake; thence S. 332 feet to the beginning. For further reference see Book 14 of Deeds, page 9 of Hoke county public registry.

Second tract: Adjacent to and north of above-described lot, and being devised to said Mark Wade by last will of Geo. Vince Holder, as will appear by reference to Sp. Pro. No. 318 of Clerk of Hoke County Superior Court's office, to which reference is here made for identification of this property.

B. F. McLEOD and ARTHUR D. GORE, Co-Commissioners
