**THE ARMY-BUSINESS  
DIRECTORY.**

For the benefit of the citizens of  
Raeford and for the Army people we  
are publishing a directory this week  
which should be of service and benefit  
to every one concerned.

In recent weeks there have been  
many changes in the Army folk re-  
siding in Raeford, and this directory  
is being published to acquaint them  
with the progressive merchants and  
business houses, and at the same  
time to provide us all with the in-  
formation we need to know of new-  
comers to our community.

For the past year the News-Journal  
has been sent to all Army families  
here through the cooperation of  
these merchants and the publisher.  
Many of the Army people have ap-  
preciated this expression of good will  
and enjoyed the news of our people  
and our county. To the newcomers,  
may we explain that the paper comes  
to you through the kindness of these  
business houses, and is a weekly ex-  
pression of their pleasure in having  
you with us. We trust that you will  
study the advertisements of these  
firms, both this week and each week  
following, so that you will know  
where fresh, new and desirable mer-  
chandise can be most reasonably ob-  
tained. Your patronage of these  
firms will be appreciated.

**Letters To The  
Editor**

Raeford, N. C.  
Jan. 20, 1942.

Mrs. Paul Dickson,  
News-Journal,  
Raeford, N. C.

Dear Mrs. Dickson:

In a public Red Cross meeting at  
the courthouse Monday evening the  
motion was made, and quickly in-  
dorsed unanimously, that the mem-  
bers of the Red Cross express to  
you their thanks for the generous  
manner in which you have used the  
News-Journal to boost the work of the  
Red Cross in Hoke county.

It is in a time like this that com-  
munity leaders see the value of a  
weekly paper in unifying the vari-  
ous agencies at work in the county  
for the welfare of the people, and the  
Red Cross wants to express publicly,  
in the columns of the Journal, its  
thanks for this free service of your  
paper.

Sincerely yours,  
Dr. R. L. Murray, Chairman  
Mrs. H. A. Cameron, V-Chm.  
H. L. Gatin, Jr., Treasurer

**SCHOOL NEWS OF THE PAST WEEK**

BY K. A. MacDONALD

Lt. T. L. Kirkpatrick, of Fort  
Bragg, recovery officer for Hoke and  
Scotland counties has requested  
that all school children aid in re-  
covering articles lost by the sol-  
diers on maneuvers last fall. Lt.  
Kirkpatrick requests that every one  
who has found an article lost by  
the soldiers, or who knows of an ar-  
ticle found, turn these articles in to  
the principal of their school who in  
turn will bring it to the office of  
the superintendent, where Lt. Kirk-  
patrick will pick it up. These ar-  
ticles are such things as flashlights,  
steel helmets, articles of clothing,  
rifles, picks, shovels, axes, etc. The  
return of found articles will aid in  
national defense.

The Mildouson P.-T. A. will hold  
its January meeting at the school  
building Tuesday evening, January  
27, at 7:30 o'clock.

**Basketball Tournament**

A basketball tournament will be  
held in the Hoke high school gym-  
nasium on February 3, 4, 5 and 7.  
Eighteen schools have been invited  
to participate in this tournament. To  
date all of these schools have not  
been heard from, but those that have  
accepted are as follows: Raeford,  
Laurel Hill, Red Springs, Seventy-  
first, Wagram, Aberdeen, Pinehurst,  
and Massey Hill.

**Hoke Girls Win—Boys Lose**

On Friday night January 16, both  
high school basketball teams con-  
tested for supremacy with Massey  
Hill teams. The final scores were:  
Girls, Raeford 19, Massey Hill 13. Boys,  
Massey Hill 30, Raeford 8.

**New Courses**

Beginning at the second term a  
course in Safety Education will be  
offered. J. W. Turlington will be  
the instructor. A course in art is  
also offered by E. C. Crawford, pas-  
tor of the Raeford Methodist church,  
to any students interested.

The Red Cross First Aid course  
for those who will teach such courses  
was started at Hoke High Tuesday  
afternoon. Thirteen teachers en-  
rolled for this course. The course  
is to be taught by Dr. P. P. McCain.  
Dr. R. L. Murray taught the first  
lesson for Dr. McCain.

Bus mechanic, Lee Rivenbark, at-  
tended a meeting of bus mechanics in  
Raleigh yesterday. This meeting was  
called by C. C. Brown, equipment  
engineer of the State School Com-  
mission, to discuss means for meet-  
ing the shortage of repair parts.

You will probably be interested to  
know that to date over 23,000 school  
books have been furnished the chil-  
dren of Hoke county. Over 15,000  
of these have been absolutely free  
and over 8,000 have been high school  
books that are on rental list. Each  
child in high school pays a flat fee  
of \$2.40 for books. Should that  
child have to buy the books it would  
cost him, on the average, over \$6.00.  
To date, Hoke High has rented  
\$817.20 worth at the \$2.00 rate. Up-  
church high has rented \$583.20 at the  
same rate. Making a total of \$1,-  
400.40. This will go over \$1,500.00  
by the end of the year.

You can see from this the savings  
that are effected for the parents of  
the county.

Below is given the total enroll-  
ment and the percentage of attend-  
ance for the third month of school  
in the colored schools of the county  
in the order of their percentage of  
attendance: New Hope 83, 97.2; Piney  
Bay 60, 95.4; Edinburg 38, 95; Calvin  
Martin 38, 94.8; St. John's 68, 94;  
Frye's Mission 66, 93.9; Shady Grove
