Cotton ginning is exceptionally late in North Carolina this year because of continued rains.

To GIN CUSTOMERS

of W. M. Thomas Gin

We solicit your ginning business for the remainder of the season. We will do our best to give you the same excellent service as rendered by the W. M. Thomas Gin before they ceased operating yesterday.

Our gin is modern in every respect and is the only gin in the county with a Drum Beater which fluffs and cleans the cotton before it is ginned. WE BUY COTTON.
