

Hoke County Has A Fine Record

BUT

We are about To Spoil It

THE UNITED WAR FUND DRIVE

Now in its Third Week is Lagging

Hoke County's quota in the United War Fund Drive is only \$4,020. To date only thirty per cent of this amount has been collected, and only one community (Sanatorium) has met its quota.

The money collected in this drive will be used to help keep the people of the world's war-torn countries **ALIVE** through the coming winter, and to help entertain the estimated 7,000,000 U. S. service men and women still overseas.
