## LaMotte Speaks To Presbyterian Men Tuesday Night

### CHURCH MEN'S CLUB HONORS HOLLAND AT MEETING

"Harry Holland Night" was observed by the Men's Fellowship club of the Presbyterian church Tuesday evening honoring Rev. Harry K. Holland as the time of his departure for his new pastorate at Marietta, Georgia, approaches. President J. L. McNeill presided.

After a delicious and bountiful supper provided by Business Woman's circle number 10 of the Woman's Auxiliary, President McNeill called for the introduction of guests. He then called on the program chairman, K. A. MacDonald, to present a member, Ryan McBryde, who is now moderator of Fayetteville Presbytery.

In making the presentation Mr. MacDonald called attention to the fact that there were moderators of Fayetteville Presbytery present and one of Charleston Presbytery. The moderators of Fayetteville Presbytery were Ryan McBryde, M. C. Dew, Harry Holland and Dr. Louis C. LaMotte. Rev. A. M. Gregg was moderator of Charleston Presbytery who was present.

The chairman then stated that Dr. Watson Fairley was to have made the address of the evening but was prevented from doing so by illness. He then presented Dr. Louis C. LaMotte, president of Presbyterian Junior College at Maxton, who had graciously consented to speak for Dr. Fairley at the last minute.

Dr. LaMotte made a most timely talk, interspersing with humor the serious thoughts running through it. He was a college mate of Mr. Holland and helped initiate him into a college fraternity. He also laid his hand upon him when he was ordained as a minister of his Presbytery.

After the talk by Dr. LaMotte President McNeill called on Cecil Dew to present a gift to Mr. Holland. Mr. Dew did this with a few well chosen remarks that stressed the fact that every member of the club had a part in it and said that, quoting "The Vision of Sir Launfal," "The gift without the giver is bare." He said that this gift was well clothed, as the best wishes and prayers of every member of the club would go with him to his new pastorate.

Rev. W. L. Maness of the Methodist church, for himself, the other ministers and their congregations, expressed their pleasure in the fellowship and joint endeavors they had had with Mr. Holland and wished for him success in his new work.

Edgar Hall closed the meeting with prayer.

## SCHOOL NEWS

The January issue of Hoke High Lights is just off the press. This issue is a credit to its editors, the school, and the printer. We hope the editors will preserve and continue to turn out for this year a paper of so great merit. Possibly then, for next year they could solicit and get support that would enable them to publish twice monthly instead of once as they are doing this year.

Miss Margaret McKenzie, secretary for the Board of Education, has been sick this week. It is hoped she will soon be back in the office feeling o. k. again.

Ashmont has enrolled several new pupils this week that will materially help them in their fight to retain their four teachers.

## Whitehead Says White-Tex Mills Will Be Operated

In reply to a query by W. A. Blue of the Aberdeen and Rockfish railroad company as to whether it was planned to continue operation of the White-Tex mills here after the present moving out of machinery was completed, Troy Whitehead, president and treasurer of White-Tex Mills, Inc., of Charlotte, wrote the following letter:

"This is to advise that we intend to operate this plant. The machinery we are now shipping out will be replaced with new machinery just as soon as we can obtain delivery from the new manufacturer. In fact, we already have the equipment on order and expect delivery within the next few months.

"The rumors are all erroneous and you might inform any of the parties making such statements that we are going to operate the White-Tex Mills, Inc. of Raeford, North Carolina."

## File This Month For Tobacco Allotments

All eligible producers interested in applying for a "new grower" tobacco allotment should file an application at the Hoke County AAA office prior to February 1, 1947, according to T. D. Potter, chairman, Hoke County AAA Committee.

He pointed out that in order to be eligible for a new tobacco allotment, the following conditions must be met: (1) The farm operator shall have had experience in growing the kind of tobacco for which an allotment is requested either as a shareholder, tenant, or as a farm operator during the past five years, or if the farm operator has been in the armed services of the United States, with in five years prior to his entry into the armed services; (2) the farm operator shall be living on the farm and largely dependent on this farm for his livelihood; (3) the farm covered by the application shall be the only farm owned or operated by the farm operator on which any tobacco is produced; and (4) no kind of tobacco other than the kind for which application for an allotment will be grown on such farm in 1947.

## Legion Post Will Sponsor Cage Team

At the monthly meeting of the Ellis Williamson post of the American Legion at the army Monday night, the post decided to sponsor and equip a basketball team here this winter. The team will play other posts, schools, and military outfits. It will be coached by Harvey Warlick.

The members of the post served a delicious turkey supper by the ladies post auxiliary.

During the program Chaplain Harry Holland, who is to leave the post soon, made a talk.

Alfred Cole, dance committee chairman for the free-car dance in April, reported to the post on the progress of the advance ticket sale and predicted a large turnout for the affair.

Clyde Upchurch, Jr., M. C. Poovey, N. H. G. Balfour, Israel Mann, Tom McBryde and Alfred Cole were appointed to a committee to raise the necessary money to install lights at the armory ball park.

Following a report by Membership Chairman Frank Williams the meeting adjourned.

## ROADS CLOSED

Due to field artillery firing, the Raeford-Vass Road, crossing the Fort Bragg Reservation between Plank and Manchester Roads will be closed to all civilian traffic from 9:00 a. m. to 4:00 p. m. Thursday, January 16th, and Friday, January 17th, 1947.

## HOLLAND ADDRESSES KIWANIANS

Last Thursday evening at Kiwanis Arch Currie had charge of the program. He introduced Harry K. Holland who made a most interesting talk. Arch had been in the "dog house" he said, over a program last year. The club voted to let him out and took off the chain but kept his collar on "just in case."

Walter Baker is in charge of the program for tonight.

## Mrs. E. L. Peele Passes Sunday; Burial Yesterday

Funeral services were conducted in the Raeford Presbyterian church at eleven o'clock yesterday morning for Mrs. E. L. Peele, senior, who passed away early last Sunday. Burial followed in the Raeford cemetery.

Mrs. Peele was almost 58 years of age. She was born Flora C. Currie in Robeson county on January 24, 1889, the daughter of Mrs. Ida Currie, who now lives in Washington, N. C., and the late Frank Currie of Robeson county.

Her husband, E. L. Peele, of Raeford, survives along with her mother, Mrs. Currie of Washington; three daughters, Misses Nancy and Mary of Raeford and Mrs. Charles J. Worth of Billings, Montana; two sons, E. L., Jr., of San Rafael, California, and Jephtha of Raeford; one sister, Mrs. Jean C. Dillard of Washington, N. C.; three brothers, Wyatt and Lacy Currie of Norfolk, Va., and Will Currie of Fayetteville.

## Cagers Split With Wagram Tuesday; Play Here Tomorrow

The Hoke High girls and boys teams split a double header with Wagram Tuesday night. The Wagram girls, with Currie leading the way with 16 points, defeated the Hoke High girls 29-22. McNeill scored 14 points for Raeford.

In the second game, which was a rough and tumble affair, the local boys trounced the visitors 61-26. Luke McNeill, center for Raeford, was high scorer for the night with 24 points. Poole was runner-up with 15 points.

Friday night the Hoke High teams meet the boys and girls from Hope Mills. The first game will start at 7:30.

## January Term Of Superior Court Convenes Monday

The regular January term of Hoke County Superior court will convene here next Monday with Judge Walter J. Bone, of Nashville, presiding. As usual the term will be a mixed one with both criminal and civil cases being heard.

Although Judge Bone is on the calendar to be on the bench at this term, it is thought likely that there may be a switch between him and Judge Q. K. Nimocks between now and Monday and that Judge Nimocks may come here.

Jurors for the term are as follows: Belton Beasley, H. C. Maxwell, L. W. Ellis and J. E. Sumner of Stonewall; Jim Baxley, B. F. McDuffie, M. E. Baker, R. D. Conoly, H. G. McLean, C. J. Holland, R. M. Cox, W. J. McNeill and J. L. Conoly of Raeford; J. W. Morgan, R. H. Livingston, J. C. Gibson, Sessoms Watson and Clyde Campbell of Antioch; Alex McMillan of Little River; John A. Wilkes, Lee Maxwell, Malcolm Walters and John Henry Currie of Blue Springs; A. B. Tapp, George Overton, W. L. Maultsby, and W. L. Thornburg of Quewhiffie; D. P. Andrews, N. E. Townsend and Will Rose of McLauchlin.

## Poole's Medley

BY D. SCOTT POOLE

Will prices rise still? Or will prices decline? I think prices will fall. At least some should fall to lower levels, because they are too high. I thought last fall prices should fall about one-fourth of what they were. Whether prices go up or down depends upon whether currency will continue to circulate. If the soldiers are sent home money will likely grow scarcer, and prices go lower than they are now.

I think Governor Cherry expects a decline in the earning capacity of the people, hence a fifty million reserve fund because we already have a sales tax to prevent the schools from closing.

France was taxed with a two billion dollar indemnity payment in 1870 when Prussia gave them a licking, and it was said France inflated their currency, and paid their war debt in less than half the time they were given to pay it.

Wall Street had planned a financial stringency the country over in 1917, and Secretary of the Treasury McAdoo went to New York and tried to persuade them to abandon the idea but no money and no way of earning the money, your chances of success are not good, and like holds were determined to get more for

## Schools Of State Will Observe Good Health Week

### CITY AND COUNTY SYSTEMS PLAN PROGRAMS

Good Health Week will be observed in all North Carolina public schools February 2-8, Dr. Clyde A. Erwin, State Superintendent of Public Instruction, has notified State Headquarters of the Good Health Association.

Letters have been sent from Superintendent Erwin's office in Raleigh to all public school principals and superintendents of city and county systems urging their fullest cooperation.

During Good Health Week greater emphasis on health as a regular part of the school curriculum is called for by Dr. Erwin.

In his letter to principals and superintendents, the State superintendent of public instruction expresses the belief that much good can be accomplished in stimulating interest and enthusiasm for the Good Health program on the part of school personnel.

Dr. Erwin's suggestions for the staging of Good Health Week include student assembly programs on health, gymnasium demonstrations of intra-mural athletic activity and other phases of physical education, renditions of the Good Health song, "It's All Up to You", before student assembly programs, student orations on the subject of good health, showing health films editorials on health in school papers a contest for the best health poster, a health program for the P-T. A. and talks on health by students before civic clubs.

The observance will also include health service features. An intensive effort will be made by school officials to have all high school students who have not been given examinations during the past year receive complete medical examinations by their private physician or by county health officers.

In cases where it has not already been done, completion of teacher screening of elementary children and initiative steps to get follow-up examinations by nurse and doctor will be undertaken.

The observance will also include health service features. An intensive effort will be made by school officials to have all high school students who have not been given examinations during the past year receive complete medical examinations by their private physician or by county health officers.

In cases where it has not already been done, completion of teacher screening of elementary children and initiative steps to get follow-up examinations by nurse and doctor will be undertaken.

During Good Health Week greater emphasis on health as a regular part of the school curriculum is called for by Dr. Erwin.

In his letter to principals and superintendents, the State superintendent of public instruction expresses the belief that much good can be accomplished in stimulating interest and enthusiasm for the Good Health program on the part of school personnel.

Dr. Erwin's suggestions for the staging of Good Health Week include student assembly programs on health, gymnasium demonstrations of intra-mural athletic activity and other phases of physical education, renditions of the Good Health song, "It's All Up to You", before student assembly programs, student orations on the subject of good health, showing health films editorials on health in school papers a contest for the best health poster, a health program for the P-T. A. and talks on health by students before civic clubs.
