All the medicines needed to cure you of what ails you are here on these shelves. Everything you need is here, everything except the hands of the pharmacist, skilled to mix the proper proportions! But even the most highly trained medical men have not yet found all the answers. There are thousands of experiments still to be performed; years of research are still undone.

Everything you need for security is right around you. All the ingredients for happiness are within reach. But you also need trained hands to mix the right proportions. The Church is skilled in that very art. It can tell you how to combine the elements of life in the best possible way.

But even in the Church there are thousands of experiments still to be performed, years of research still to be done. The Church needs your steady hands, your questioning mind, your eager soul to help it in its search for further truth. You cannot live a truly healthy life without it; and it cannot progress without you.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.
