Spring will soon be here... and one of the first signs is apt to be the falling off of appetites. Now, in Grandma's day that was the signal to dole out doses of sulphur and molasses (ugh). But today it's merely an added incentive to make meals tempting-looking and grand-tasting. So I hope today's suggestions will help you do just that.

STRETCHING EXERCISE FOR MEAT

To make one lb. of ground beef serve 6 people, combine it with 1 medium onion (chopped), 1 can of vegetable soup and 2 cups of

SUNNYFIELD RICE GEMS

Season, pack into baking dish and bake in a moderate oven, 375° F., 1 hour. You get extra nourishment as well as extra portions by using SUNNYFIELD RICE GEMS as a meat extender, because they contain precious vitamins and minerals. Serve them often for breakfast, too. They're thrifflily priced at A&P.

Some crust! Like cheese with your apples? Then use it as a top crust. And for rich, tangy flavor, use MEL-O-BIT AMERICAN CHEESE from the A&P. Just bake your pie minus the top crust, and 10 minutes before you take it from the oven, lay slices of MEL-O-BIT (about 1/2" thick) over the apples. Umm, what a crust!

SHAMROCK SALAD

Come St. Patrick's Day, stuff green peppers with softened cream cheese tinted green, chill 4 hours, cut in 1/4" slices and arrange in three like shamrock leaves, with strips of pepper for stems. Pretty as a colleen... and delicious with this dressing: Blend 1/2 tsp. mustard, 1/2 tsp. salt, dash of cayenne and 2 tbsps. sugar with 1 cup undiluted WHITE HOUSE MILK; add 1 tbsps. vinegar gradually, stirring till thickened. Smooth? Of course—thanks to creamy-rich WHITE HOUSE MILK from the A&P. Try it!

CAKE THAT TAKES THE CAKE

Do your cakes crack, hump or have tough crusts? Then chances are you use too much flour. Be careful to measure accurately. Sift and spoon flour lightly into cup without packing down. Level cup with knife. For lighter, finer-textured cakes, be sure to use SUNNYFIELD CAKE FLOUR from the A&P.

The High Point College Quartet will render a program of sacred music at Raeford Methodist Church next Sunday morning, announced Rev W. L. Maness, the pastor. These young people have traveled extensively in the last fourteen months, even staying together during the summer months, appearing in some of the largest churches in the South. They have had a wide experience and are much in demand. They appear in the picture above, left to right, Miss Mary Lou Rainey and Miss Denny Lee Bryson; Mr. Earl Richardson and Mr. Glad Lawson.

GOOD FISHING AHEAD, SAYS ANGLER FLEMING

C. C. Fleming of Jamesville is getting set for a good year of fishing in the Roanoke River. He's got a system.

Mr. Fleming bases his optimism on the state of the heavens on the night of Old Christmas (January). He says no stars were seen on Old Christmas the last two years, and that fishing was "rotten" the following springs.

This year, he declares, "I had just about made up my mind that if no stars were seen on Old Christmas night, I would not even attempt to fish this spring." The stars obliged though, and now he's making plans.

GUN REGISTRATION BILL WITHDRAWN BY SPONSOR

Sportsmen who are concerned over perennial attempts in Congress to obtain passage of a firearms registration bill which would apply to sporting arms can breathe more easily—at least for a while. The attempt in the current session, instituted by Senator Wiley, with introduction of S. 332, has been shelved with the sponsor's announcement that he is withdrawing the bill for parliamentary reasons.

CORRECTION

Legal fishing days for the shad and herring season were listed incorrectly in this release last week. The days on which shad and herring may be taken during the two-month season are Thursdays, and Fridays and Saturdays of each week.

Rockingham County tobacco growers who sowed plant beds early this year were forced to reseed their beds due to February's cold weather.
