## The Open Bible... Bulwark of Freedom

Strange as it may seem to some, there is no stronger support for free-  
dom than the *Open Bible!* Wherever its influence is strong, tyranny can-  
not thrive. Where it is read and loved and obeyed, selfishness in all of its  
forms finds it difficult even to exist. On its pages one finds God revealed  
in all of His beauty. And one finds Christ there! And the Church! And all  
that is good and beautiful and true!

The Bible plainly teaches that the individual is of supreme worth. Even  
the Sabbath was made for man, said Jesus, and not man for the Sabbath.  
This fundamental truth is denied by all ideologies that look upon man  
as a creature of the State. It is denied by those who would use man as a  
means to an end, rather than the end for whom all creation exists. To pro-  
tect this doctrine of personal worth, which is fundamental in our democ-  
ratic way of life, there is no way quite so sure as to rely on the teachings  
of this *Open Book!*

**THE CHURCH FOR ALL...  
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for  
the building of character and good citizenship.  
It is a storehouse of spiritual values. Without a  
strong Church, neither democracy nor civilization  
can survive. There are four sound reasons why  
every person should attend and support the  
church of his choice. They are: (1) For his own  
sake. (2) For his children's sake. (3) For the  
sake of his community and nation. (4) For the  
sake of the Church itself, which needs his moral  
and material support. Plan to go to church on  
Sunday and read your Bible daily.
