Are you planning to pick up and picnic this week end? Then I know you're hoping, as I am, for warm, sunny weather. But if it should turn out be chilly or rainy, don't let that interfere with your plans. Go ahead and have your picnic anyhow... at home. That way your family won't feel let down, and you won't have to rustle up a regular meal at the last minute.

- THIRST AID**
 It's no picnic being thirsty on a picnic, so be sure to take plenty of refreshing soft drinks on your outing! You'll find a big variety of "whistle wetters" at your A&P... each as enjoyable as the other, and all thrifftily priced. Make A&P your thirst aid headquarters!
- QUICK AND SLICK**
 If you go in for campfire cookery, you'll get yards of enjoyment from ENCORE Prepared SPAGHETTI. It's mighty good cooked at home on the range, too, so get a few cans at the A&P. Made with a tasty sauce of tomatoes, spices and cheese, all you have to do is heat it. And if you want an extra hearty dish for 8 hearty eaters, combine 2 cans of this swell spaghetti with 2 cans of red beans; mix well in a skillet; add 2 tssps. of chili powder, and heat thoroughly. Add green pepper and onion rings if you like 'em. Grand indoors or out!
- SWANK FOR SALADS**
 For the best-dressed cole slaw or vegetable salad that ever went a-picnicking, try this tangy dressing made with WHITE HOUSE MILK, the creamy-rich evaporated milk sold at the A&P. Just blend 1/2 tsp. prepared mustard, 1/2 tsp. salt, 2 tssps. sugar, a dash of cayenne and 1 cup undiluted WHITE HOUSE EVAPORATED MILK. Add 1 tbsp. vinegar gradually, stirring till thick. Enough for 8 servings of salad.
- KING-SIZE SANDWICHES**
 Where there's a grill, there's a way to enjoy MARVEL HAMBURGER ROLLS in their special role of partners for sizzling hamburgers. But even if your picnic equipment doesn't include a grill, these delicious, freshly baked rolls from the A&P can have their innings on your outings. They're perfect for big he-man sandwiches of all kinds because they hold so much filling.

Be sure there's a sparkling, ice-cold supply always handy in the icebox, too. It's a mealtime treat the whole family goes for. Ask for LIME COLA—the satisfying cola that's not too sweet!
