*Everything We Do Now--Is
 for Our Children's Future*

Just as you give your child the benefits of the best education to prepare her to take her place in the world of tomorrow . . . so you should give her the spiritual foundation that makes for better adulthood! Make it a weekly family practice to go to the church of your faith where the doctrines for which we are fighting today will be perpetuated in your child's mind . . . shaping her future healthfully . . . making her a better citizen of a better world. America's churches are the hope of a free people . . . let's see you and your child in Church this Sunday, and every Sunday thereafter.
