## 22 New Advantages for FASTER FARMING

We are proud to announce our appointment, effective July 1, 1947, as authorized dealer for the new Ford Tractor and Dearborn Implements.

The new Ford Tractor combines twenty-two important improvements with the former advantages of Ford-built tractors. Come in and get all the interesting details. Also, for parts and service on any Ford-built tractor, be sure to call on us.

Designed by expert implement engineers and tested by practical farmers, Dearborn Implements are especially made to work with the Ford Tractor—either the new or the former model. And implements used with the former model will operate equally well with the new Ford Tractor. Let us tell you about them.

# Completely ELECTRIC!

More and more modern homemakers are demanding all-electric kitchens—and there is a very good reason. Fully auto-

matic, leisure giving electric cooking is one of them. There is assurance of perfectly kept foods that electric refrigeration gives; there is dishwashing—garbage disposal—ventilation—and a long list of other advantages.

Sooner or later you, too, will want an all electric kitchen—plan now to have one—see your electrical dealer!
