**Kenneth C. Royall To Speak at State 4-H Club Week**

Secretary of War Kenneth C. Royall, has accepted an invitation to appear on the program of the Fifteenth Annual State 4-H Club Week at State College, August 18-23, according to an announcement this week from L. R. Harriell, State Club Leader for the State College Extension Service.

The first Tar Heel member of the Cabinet since Josephus Daniels, Editor of the Raleigh News and Observer, was Secretary of Navy in World War I, Secretary Royall is scheduled to address the more than 1,400 4-H Club boys and girls who are expected to attend their special week.

Present arrangements call for the distinguished North Carolinian to speak at the evening session, Friday, August 12, in Riddick Stadium. Time has been set at 8:00 o'clock, and radio station WPTF will broadcast the speech on a state-wide network of principal stations.

Delegates from the state's 1,795 4-H Clubs will spend five days and nights on the State College campus, participating in conferences, study, demonstrations, recreation, contests, and special events. Friday night's program will be built around Secretary Royall's address, singing, recreation, evening vespers, and the dramatic Candlelighting Ceremony.

**ASHLEY HEIGHTS NEWS**

By Mrs. Ralph Cothran

Miss Kathleen Cothran of Raleigh is spending a two weeks vacation at home.

Mrs. W. H. Hare, Earl and Melvin spent Sunday afternoon in Hamlet with Frazier.

Mr. and Mrs. George Hare and children, Mrs. Carrie Hare of Norwood spent Friday with Mrs. W. H. Hare.

Mr. and Mrs. Ralph Cothran and Mr. and Mrs. L. R. Cothran and family attended the funeral of R. A. Fish at Willow Springs, Thursday.

IT PAYS TO ADVERTISE

**Farmers' Income Up 20 Per Cent**

Raleigh, Aug. 5—Cash income of North Carolina farmers in 1946 was about 20 per cent higher than in 1945, it was reported today by the Federal-State Crop Reporting Service of the State Department of Agriculture.

Total cash receipts in 1946 totaled \$764,404,000. The total in 1945 was \$638,414,000.

Practically all of the increase came, the report stated, from marketing of crops, which brought farmers \$633,399,000 as against \$508,159,000 in 1945. Returns from sales of livestock and livestock products were slightly lower during 1946, totaling \$119,799,000, compared with \$120,910,000 in the previous year. Government payments to farmers in 1946 were higher, totaling \$11,211,000 as compared with \$9,345,000 in 1945.

Conservation payments made up \$8,096,000 of the total Government payments during 1946. Dairy production payments accounted for \$3,106,000, with payments for sheep and lamb and beef production making up the remaining \$9,000. In 1945, conservation payments totaled \$5,897,000; dairy production payments, \$3,434,000; beef and sheep and lamb production, \$10,000, and truck crop production, \$4,000.

Cash returns from sales of tobacco accounted for about 57 per cent of the total cash receipt from farming during 1946, and about 56 per cent of the total during 1945.

Compared with other States, North Carolina ranks third in total cash receipts from farm marketings of crops, 28th in cash receipts from marketings of livestock and livestock products, and 13th in total cash income from crops, livestock and livestock products combined.

Production of flue-cured tobacco in North Carolina this year is expected to be approximately 864,985,000 pounds.

July 1 prospects indicated that yields for North Carolina's 1947 corn crop will equal the all-time record of 27 bushels per acre harvested in 1946.
