Is this lighthouse built on sand? Seemingly so! All you can see at its base is sand.

Actually this towering structure is built on rock. Underneath these dunes of sand is a rocky ledge, firm and enduring. The sand may be carried away by sea or wind, but this lighthouse will stand secure. There's a rock, a firm foundation, underneath!

Some people look at the Church and see only sand. They see the shifting sands—of custom—and fashion—and passing personalities pile up and wash away around the Church. "Why is it still standing?" they ask—for they see only sand.

The Church would have fallen long ago were it built on anything so fickle as fashion, so casual as custom, so impermanent as mere people. The Church is built on rock, firm and enduring. It will stand secure for all ages, shedding light and imparting strength to all who are guided by it. It stands on the "Rock of Ages," the divine personality of Jesus Christ and His message of hope for all mankind.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake of his children's sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.
