If you have trouble luring your family away from the funnies and sports pages on Sunday mornings, try serving these tempters for breakfast. They'll make even Dick Tracy and the latest scores take a back seat!

**APPETITE AWAKENER**  
Brightest breakfast idea in a month of Sundays... French Toast Logs made like this: Break 2 eggs into shallow dish; beat lightly with fork; add 1½ cups of milk and ½ tsp. salt. Cut crusts from 12 slices of tender-textured, oven-fresh MARVEL ENRICHED WHITE BREAD from the A&P. Dip each slice into egg mixture. Brown lightly on both sides in hot fat in heavy skillet. Spread with preserves, and roll. 6 servings.

**JAM SESSION**  
I could eat jam-filled baked apples for breakfast Sunday, Monday or all days. To prepare them, I core medium-sized apples, place them in a baking dish, and fill each cavity with 1 tbsp. of A&P's luscious ANN PAGE GRAPE JAM. Then I cover the bottom of the pan with water and bake in a moderate oven, 375° F., 30 minutes, or till the apples are soft, basting occasionally with the liquid in the pan.

**VOICE YOUR CHOICE!**  
One of the nicest things about Sunday is that it gives you leisure to enjoy all the coffee you want. And one of the nicest things about A&P COFFEE is that it gives you the exact blend you want. There are 3 delicious ones to choose from... EIGHT O'CLOCK (mild), RED CIRCLE (medium) and BOKAR (strong). Discover your favorite today... have it Custom Ground when you buy it, just right for your coffeepot... and wake up to coffee that tastes better every day in the week!

**FRY THIS FOR SIGHS!**  
To make small fry finish their farina... and sigh for seconds... fry ANN PAGE MELLOW WHEAT FARINA from the A&P. Cook 1 cup of this pure, refined wheat cereal in 1 quart of boiling salted water to a thick mush. Pour into small loaf pan; chill; turn out and cut into five or six ½-inch slices. Dip in seasoned flour and fry to a golden brown in hot skillet with bacon or sausage fat. Serve with jelly, preserves, syrup.
