## THE "CARRY"

There are parts of North America through which men can travel a thousand miles by canoe! But not all of the journey is easy paddling on glassy lakes, or lazy drifting before friendly currents. There are choppy rivers and swirling rapids. And when the river becomes un-navigable, or the lake ends . . . there is always a "carry."

A "carry" isn't easy. You have to shoulder your duffle-packed craft and make your way slowly overland to the next stretch of water. You have no choice in the matter . . . you must make the "carry" or you can't go on.

Life isn't much different than a journey by canoe. There are "carries" that must be made if we are to go on. A man can't escape the burdened miles that are part of his journey.

The strength we need for such times is not physical, but spiritual. It doesn't come from vitamins—it comes from FAITH.

The Church has helped millions to make the "carries" of life. The Church can help YOU.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend, and support the church of his choice. They are: (1) For his own sake of his community and nation. (2) For the sake of the Church itself, which needs his moral and material support. (3) Plan to go to church on Sunday and read your Bible daily.
