MORE ABOUT SCHOOL NEWS

joyed the program.

The county supervisor of colored schools reports most excellent attendance in the schools on Saturdays since the institution of Saturday school after the end of the seventh month. We hope that this good attendance will continue.

The Laurel Hill teachers and pupils have painted the interiors of their classrooms. They are proud of the work and the looks of the rooms. They are now clean and bright, and much more attractive. We hope other schools will follow their example.

A conference of commercial flower growers in North Carolina will be held on the State College campus, Raleigh, May 18-19, under the sponsorship of the College's horticulture department and the North Carolina Florists Association.

It has a Heart of steel and that new Ford "Feel"

White available free available of extra cost.

One look tells you why Ford was chosen "Fashion Car of the Year." And its all-steel construction is an important part of the new Ford "feel."

Note how the body is welded into a rigid unit. Wood panels are bolted to the steel body for easy removal or replacement. Laminated and molded, they resist water, warping and splitting.

Load through extra-wide side doors or rear "freight entrance." Rear seat easy to remove for extra space.

You'll notice the new Ford "feel" in "Finger-tip" Steering, "Magic Action" Brakes, effortless "Equa-Poise" Power. Come in and place your order today.
